Re: Request Transfer from Ts'kway'laxw 594 to Lytton.

Dear Chief and Council of Lytton First Nation:

My name is Aimee Peters, my maiden name is Michell. I was born and raised in Ts'kway'laxw. I have been with my husband for almost 30 years and have lived in and around Lytton for the past 25 years. In these 25 years, we have made a family and recently married. My beautiful stepchildren and extended family and all the people that I know and live with daily, are all from Lytton Indian Band. I wish to join my Family and be a member of this community that I call home.

Please consider my letter for membership, as I feel this is who I will be for the rest of my days, to be with my husband and family.

Thank You

Re: Transfer from Namgis First Nation to Lytton First Nation

I am writing to Lytton First Nation to accept my request for membership transfer from the Namgis First Nation.

My family ties are to Spapium through my Mom, Paula Cranmer Underhill, my Yeya, Joan Cranmer (nee Thom), my Great Grandfather, Raymond Thom, and my Great Grandmother, Isobel Oates.

I plan on making my home in Spapium on my family farm (Spapium "little prairie" Farm) and contributing to our local community and economy. I am currently employed by The 2 Rivers Remix Society as an Administrative Assistant and Social Media Manager: I plan to maintain my employment at 2RMX for many years to come. I have completed my Culinary Arts Certificate through SASET and have received my Hospitality and Event Planning Certificate from The University of The Fraser Valley. I hope to utilize my post secondary education to accomplish my dream of not only working the family farm, but to start other business ventures in Lytton as well. I believe I will be a great asset to the Lytton First Nation and the community of Lytton as a whole.

I have always loved spending time at Spapium and I long to return whenever I must leave. My life plan is to live and thrive on the land with my family, build a house, and grow old there.
