

## **Job Posting: Cultural Heritage Technician**

**Location:** Lytton, BC

**Position Type:** Temp Full-Time

---

### **About Us**

Lytton First Nation (LFN) is a culturally grounded community with a strong identity and commitment to building a sustainable, self-sufficient future. Guided by the wisdom of our Tl'kemsin Elders and the knowledge of our leaders and membership, we strive to create a healthy economy and vibrant community for future generations.

Our mission is to strengthen community vitality by planning responsibly for the future, safeguarding our people, preserving our traditions, and ensuring long-term economic and fiscal stability. We maintain respectful, mutually beneficial relationships with local, provincial, and federal partners, supporting transparent governance and the continued growth and well-being of our Nation.

---

### **About the Role**

We are seeking a motivated and detail-oriented **Cultural Heritage Technician** to support archaeological and cultural heritage fieldwork. Working under the direction of the Lead Archaeologist, this role plays a key part in protecting and stewarding cultural and archaeological resources while supporting field operations across our traditional territory.

This is an excellent opportunity for individuals interested in archaeology, land stewardship, and Indigenous cultural heritage to gain hands-on field experience in a dynamic and meaningful environment.

### **What You Will Do**

As the **Cultural Heritage Technician**, you will:

- Assist with archaeological and cultural heritage field programs, including, not limited to:
  - Field surveys and reconnaissance
  - Monitoring ground-disturbing activities
  - Excavation of shovel test pits and evaluation units
  - Site recording and documentation
  - Surface inspections and artifact identification
- Support the protection and management of cultural heritage sites
- Collect and maintain accurate field data (notes, GPS points, photos, daily logs)
- Assist with artifact handling, cataloging, and storage following established protocols
- Provide logistical field support, including site setup and equipment organization
- Follow all health and safety procedures, including participation in safety meetings and hazard assessments
- Work safely in active environments (construction sites, remote areas, changing weather conditions)
- Maintain professionalism, confidentiality, and respectful conduct at all times
- Collaborate effectively with team members, community representatives, contractors, and stakeholders
- Assist with general tasks such as equipment maintenance, office, and warehouse support
- Perform other related duties as assigned

### **What You Bring**

- Previous archaeology or cultural heritage experience is an asset
- Resources Information Standards Committee (RISC) Training is required
- Relevant experience, education, or a combination of both will be considered

- First Aid Level 1 (or higher) is preferred
- Experience using GPS units, maps, compasses, or digital data collection tools
