

# Lytton First Nation

## COMMUNITY NOTICE 1<sup>st</sup> VACCINE CLINIC FOR MISSED MEMBERS

We have been informed that there will be an additional clinic performed for those who missed the initial (1<sup>st</sup>) vaccine clinics in our regional area.

**This is not for second doses. Only for first (1<sup>st</sup>) vaccine dosage**

We are compiling a list which will be sorted based on priority and made into a waitlist.

If you missed your first dose, please contact Pauline Charlie to have your name placed on the waitlist at 250-455-2304.

You are being asked to remain patient and respectful to personnel when calling in.

We will be transparent and forthcoming about all vaccine information.

Interior Health is taking a small community approach initiative. Click on link for non-resident members for smaller community clinics in your area.
