

Pointe Coupee Autism Community Advocates  
P.O. Box 252  
Livonia, LA 70755

Pointe Coupee Autism Community Advocates is a 501(c)(3) certified non-profit organization that has had the privilege of serving Pointe Coupee and surrounding areas over the past three years. The mission of PCACA is to advocate for children and adults diagnosed with autism spectrum disorder and raise public and professional awareness of ASD. We strive to promote and provide community events throughout the year that are safe and inclusive to children and adults diagnosed with ASD.

In April of last year, we held our 3<sup>rd</sup> annual Autism 1 Mile Walk and 5k fundraising event. Thanks to the hard work and generosity of our volunteers and community, we surpassed our fundraising goal. In the months following our fundraising event, we have been able to provide education to local schools, and we have presented two \$2500 scholarships to local high school seniors who plan to further their education in helping individuals with autism. We have also funded two safe and sensory-friendly community events. In July, we held a splash pad party with complimentary sno-cones from Kona Ice and entertainment from DJ Dylan Wayne. In October, we were happy to have been able to provide a family friendly trick-or-treating event with lots of complimentary concessions and prizes. PCACA is thrilled that we were also able to provide thousands of dollars in equipment and materials donated to the special education departments of our local schools. Perhaps our most widely praised event this last year was our Sensory Santa event where we were able to provide 22 VIP guests and their families with the most magical day at the beautiful Vintage Magnolia House where they were able to experience the magic of Christmas. Last, but certainly not least, your generosity allowed us to present 4 special needs individuals and their immediate families with all of their Christmas wishes wrapped and delivered to their front doors. With your help, we hope to continue serving our community.

Our 4th annual 1 mile walk and 5k will take place on April 26, 2025 at False River Park in New Roads, LA. In addition to the 1 mile walk and 5k run, we will provide plenty sensory-friendly activities and fun for the whole family. We will be raising money by selling jambalaya dinners, organizing a bake sale, as well as having a 50/50 raffle, and much more. However, our efforts in providing these valuable services will go a lot farther with sponsorships.

In this role, you/your business would choose a sponsorship level, and in turn we would promote your company. We have Shining Star, Diamond Donor, and Platinum Partner sponsorships available. With you/your business by our side, we're sure to achieve our fundraising goal and be able to provide more advocacy, education, scholarships, and inclusive community events.

Any donation amount is being accepted, monetary or items needed to make the walk/run successful, even if you are not able to become a sponsor. Please reach out to Michelle Andre, Sponsorship Director, @ 225-625-4166 or reply to this email [michelleandre.pcaca@gmail.com](mailto:michelleandre.pcaca@gmail.com) for more information on how YOU can help!

***All donations and sponsorships are tax deductible. Financial donation form will be issued to each donor and sponsor.***
