

Pointe Coupee Autism Community Advocates
P.O. Box 252
Livonia, LA 70755

Pointe Coupee Autism Community Advocates is a 501(c)(3) certified non-profit organization that has had the privilege of serving Pointe Coupee and surrounding areas over the past four years. The mission of PCACA is to advocate for children and adults diagnosed with autism spectrum disorder and raise public and professional awareness of ASD. We strive to support this community financially, educationally, and socially, and to promote and provide community events throughout the year that are safe and inclusive to children and adults diagnosed with ASD.

In April of last year, we held our 4th annual Autism 1 Mile Walk and 5k fundraising event. Thanks to the hard work and generosity of our volunteers and community, we surpassed our fundraising goal. In the months following our fundraising event, we have proudly been able to continue serving Pointe Coupee and our surrounding parishes. We have continued to provide financial and educational support to our local schools and have awarded yet another \$2500 scholarship to a well deserving senior within our parish who plans to further her education by pursuing a career dedicated to helping individuals with ASD. The generosity of our sponsors allowed us to host a private and free day full of sensory friendly activities for children with special needs at The Knock Museum in Baton Rouge. We have and will continue to host safe and sensory-friendly community events, such as our highly anticipated Halloween Spooktacular in October and the Sensory Santa event in December. Last, but certainly not least, your generosity will allow us to present some very special members of our community with Christmas blessings for the entire family.

Our 5th annual 1 mile walk and 5k will take place on April 25, 2026 at False River Park in New Roads, LA. In addition to the 1 mile walk and 5k run, we will provide plenty sensory-friendly activities and fun for the whole family. We will be raising money by selling jambalaya dinners, organizing an amazing raffle with plenty of prizes, as well as having a 50/50 raffle, and much more. However, our efforts in providing these valuable services will go a lot farther with sponsorships.

In this role, you/your business would choose a sponsorship level, and in turn we would promote your company. We have Shining Star, Diamond Donor, and Platinum Partner sponsorships available. With you/your business by our side, we're sure to achieve our fundraising goal and be able to provide more advocacy, education, scholarships, and inclusive community events.

Any donation amount is being accepted, monetary or items needed to make the walk/run successful, even if you are not able to become a sponsor. Please reach out to Michelle Andre, Sponsorship Director, @ 225-625-4166 or email michelleandre.pcaca@gmail.com for more information on how YOU can help!

****All sponsors have the opportunity to provide marketing materials and/or promotional items for the race registration packets. Please provided printed marketing materials and promotional items no later than 04/15/2026.****

All donations and sponsorships are tax deductible. Financial donation form will be issued to each donor and sponsor.
