Materials to be Used:

Paint Colors to be Used:

Requirements for Storage Building Submittals :

- Make sure you contact the City of Pearl to check on their ordinances/codes and see if you need a Building Permit.
- A site plan with dimensions (including setbacks) showing where the storage building will be located on your lot. It must meet setback requirements outlined in the Architectural Guidelines and by the City of Pearl.
- A sketch or pictures of what the building will look like.
- A list of all exterior materials and colors that will be used on the building.
- ***The shingles on the storage building must match the shingles on your house.***
- Your yard MUST be fenced.
- Dimensions of the storage building: 1) Height at the highest point 2) Plate height
- Include the materials that are on the exterior of your house.
- Specify if it will be built on a concrete slab or sitting on the ground.

Please include a brief description of the proposed project:

Attach all documentation related to the proposed project. The site plan should include all measurements, materials, colors, etc. Applicants who fail to submit all the required documents will be disapproved.
