## Woolevers Plan Reunion!

### Millenium Plans Are Unveiled

Now it can be told. You've heard the rumors. You've wondered about the truth of it all. Well, the truth has been discovered. There will be a Woolever Reunion in the year 2000. Descendants of Earl and Esther Woolever, arrive!

### Mark your Calendars

So mark your calendars. Schedule your vacation time. Save your pennies. Get your head and heart working on our family connections. Further details will be rushed to you as soon as they firm up, but at the moment here's what we can say:

### When:

Arrival/check-in:.. Friday,....June 23, 2000.  
Closing Brunch:... Sunday, ..June 25, 2000.

### Where:

Valley West Inn (approximately I-235 & 35<sup>th</sup> Street in West Des Moines, IA).

The Inn is located in the midst of the flourishing suburb of West Des Moines (formerly Valley Junction, where the Woolevers lived after moving from Williamson in 1932). The Inn was built approximately 30 years ago (known as Eddie Webster's then), and was the premier motel in the area at the time. It is next door to the Valley West Mall, the best shopping mall in town. Located just off the MacVicar Freeway (I-235), the motel is easily accessible from all directions, and provides easy access to all of Des Moines.

We've arranged for a great rate of \$59/night. The Inn has an enclosed pool, a jazzy 50s style diner, and a new sports lounge on the premises. The full range of fast food and franchise restaurants are within a few blocks of the motel.

It all started here.

### Reservations:

There's plenty of time to make reservations—you don't have to do anything yet—we'll give you details and reminders as we go. Just plan on making your motel reservation by at least two weeks in advance. Mary and I will need to know some numbers for planning food and catering. And we'll need to know numbers for the golf outing. Oh, we didn't mention golf? Well, of course, those Woolever kids have golf in their blood. We can make last minute golf adjustments on Friday evening as everyone arrives, but it will be very helpful to have the number of foursomes settled in advance.

### What should you do right now?

Right now, you just need to decide if you're coming (well, of course you are), and make sure you've got the time blocked off on your 2000 calendar. That's really all to begin with. We'll follow up with timely reminders and

details as we get closer to the big event. Mary and I have coordinated several reunions for her side of the family, so we have an idea of what to do. We'll make it as easy for everyone as we can. If you have any questions, please call. Just focus on one simple thought — this is going to be a joyful, rewarding time! Enjoy! Have fun!

Love —
