Teufelhund Veterans Group

The Teufelhund Veterans Group is a civilian organization with no affiliation to the Department of Defense, any military service, or any other Club or Organization. Our Veterans group accepts honorably discharged Veterans and active duty personnel of all services of the United States of America.

Distinction by race, creed, color, class, nationality, or employment will not be recognized nor tolerated by our organization. Our members stand in good faith with each other and uphold the traditions of the United States military armed forces.

Our members come from all walks of life; some are active duty military personnel while others are not. Some served in times of conflicts, and others served in peace time. The things that bring us together are the love we maintain for our country, the high esteem we hold for our military service members and the love we have for our families and our communities.

Our purpose is to support United States military personnel, active and retired. We participate in and support programs that help active duty, former military, and injured Veterans. We also support our communities and the programs and projects that assist those we call "neighbors".
