

Capital Punishment

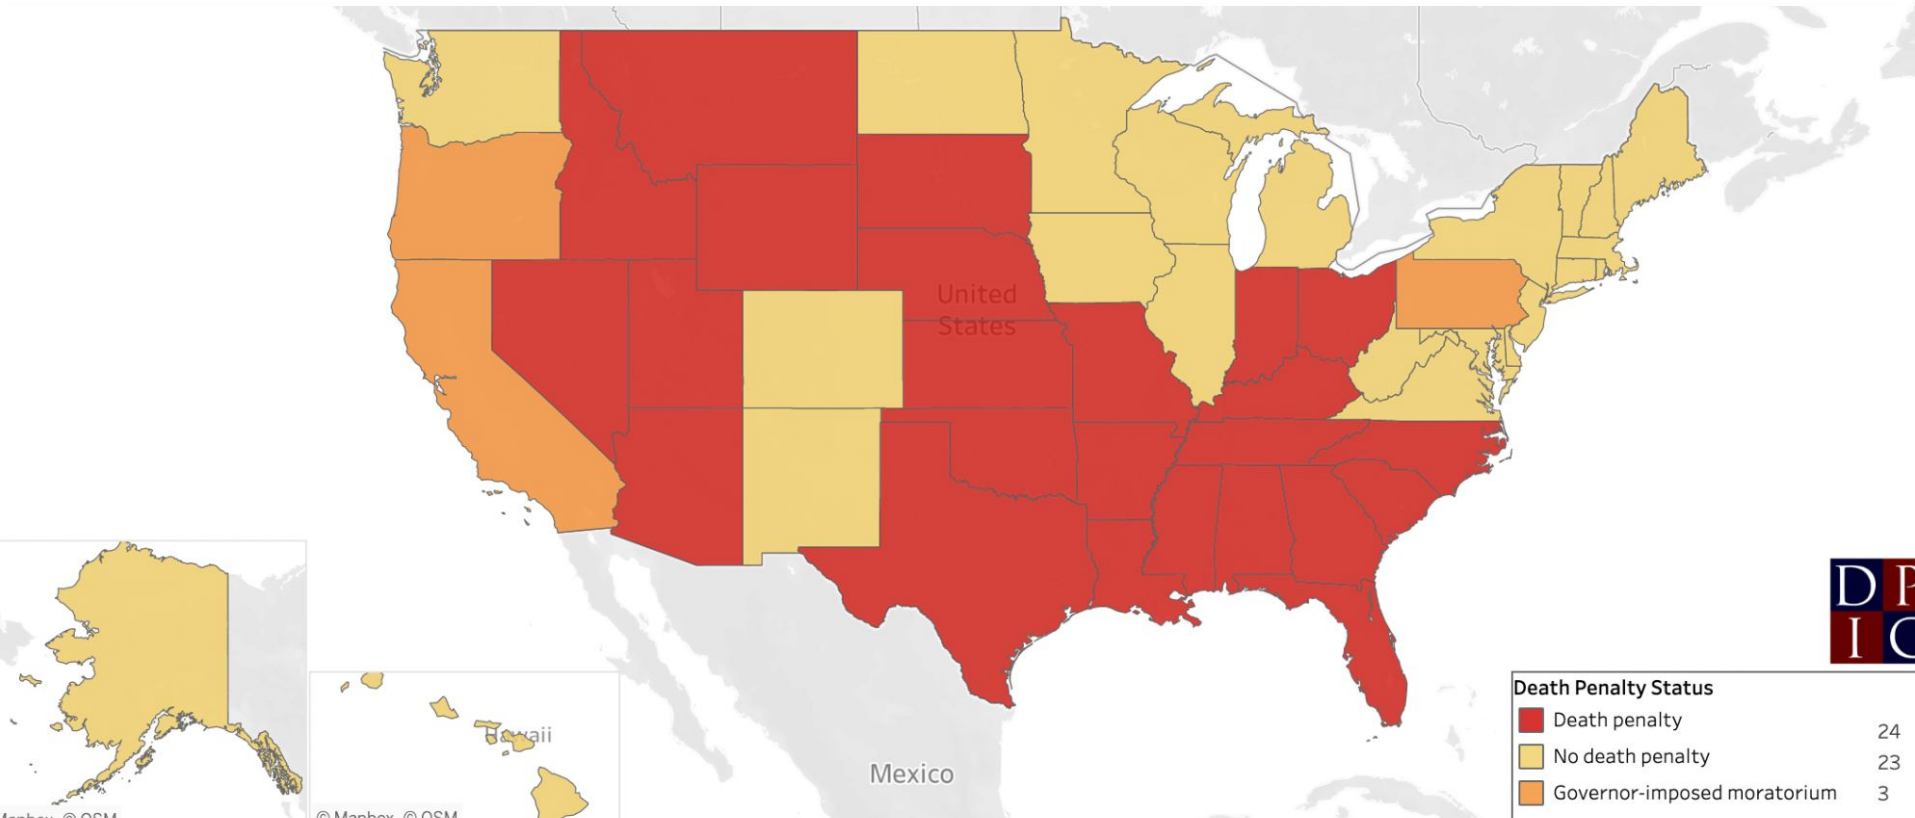

Background

- Around 30 countries around the world still have the death penalty
 - China, the US, Iran, Iraq, Saudi Arabia, etc.
- The median cost for the death penalty is \$1.26 million per execution
 - The total cost of capital punishment in California since 1976 (when the death penalty was reinstated by the Supreme Court) is over \$4 Billion
- 18 were executed in 2022, 11 in 2021, 17 in 2020, etc.
- 50 people (4% of death row inmates) executed were innocent

States with and without the death penalty – 2022

Is the death penalty moral?

**Does fear of capital
punishment deter people
from committing crimes?**

**Is the death penalty
economically worth it?**

**It is worth to kill innocent
people to get the guilty
ones off the streets?**

**Around 12-13% of the US population
(African Americans) make up 40-45%
of Death Row Inmates.**

**Are the racial disparities reason
to stop capital punishment?**

Scenario 1 (anti-PC):
Someone kills your mom.
Should they receive the
death penalty?

Scenario 2 (pro-CP):
Your mom kills someone.
Do you vouch/are you in
support of her receiving the
death penalty?

**Should Capital
Punishment be illegal in
all states?**
