Honorable Phillip Gunn
Office of the Speaker
New Capitol Building

Dear Lt. Governor Reeves and Speaker Gunn:

President Obama will likely issue an Executive Order today that infringes our constitutional right to keep and bear arms as never before in American history.

I am asking that you immediately pass legislation that would make any unconstitutional order by the President illegal to enforce in Mississippi by state or local law enforcement.

Several states have introduced similar measures and I believe will be successful in preventing this overreaching and anti-constitutional violation of our rights as American citizens.

I look forward to your immediate and positive response to this request, as I know you share my concern over our sacred rights as Americans.

With best regards, I remain,

Sincerely,

Phil Bryant
