## From Your Commander

January has been an extremely cold month for us at the Legion. We luckily have not had any busted pipes. This is thanks to folks who helped winterize the facility. Unfortunately, the heating and power consumption has cost us more. I'm sorry that we had to cancel the Board meeting due to inclement weather. We certainly didn't want to endanger anyone travelling on snow and ice-covered roads. I hope everyone has been as lucky as we have not to have expensive repairs due to weather. I look forward to seeing you at our monthly meeting on February 9th . Stay safe and healthy.
