Photography and Video Consent

We occasionally take photographs and video footage during our classes. These images are used to celebrate student achievements, showcase our classes, and promote our services.
To comply with data protection laws, we need your explicit permission before we take any photos or videos of your child. Please review the options below and check the boxes to indicate your preferences:

- **[ ] YES, I consent** to my child's image/video being used on the organization's **official website**.
- **[ ] YES, I consent** to my child's image/video being used on the organization's **official social media channels** (e.g., Facebook, Instagram).
- **[ ] YES, I consent** to my child's image/video being used in **printed marketing materials** (e.g., flyers, brochures, posters).
- **[ ] NO, I do not consent** to my child being photographed or filmed for any promotional or marketing purposes.

Important Conditions of Use:

1. We will never include personal details (such as your child's full name, age, or home address) alongside any photograph or video without separate, written permission.
2. You can change your mind and withdraw your consent at any time by contacting our Designated Safeguarding Lead (**Kay Billingsley**) in writing info@lemonstudio3.com. Once withdrawn, we will not use the images in future materials and will remove digital images where reasonably practical.
