

One-Time Treatment Season's Greetings Special!

\$125* Single Pest Control Treatment
No Annual Contract.

Don't Miss This Limited Time Offer

Single Pest Control Treatment Includes:

Exterior Treatment

1. Pre-inspection of all areas to be serviced.
2. Chemical application to areas where pests were found upon inspection as well as all areas around the structure to prevent pests such as Ticks, Ants, Spiders and Occasional Invaders.
3. Findings/Recommendation report showing areas that are a potential food, water or harborage source for unwanted pests.

Interior Treatment

1. Inspection to all accessible doors and windows for gaps large enough to allow pest entry.
2. Dust application to the wall voids in the kitchen and accessible bathrooms.
3. Findings/Recommendation report showing areas that are a potential food, water or harborage source for unwanted pests.
4. Treatment to the accessible areas of the garage.

*Up to 1500 sq. ft. structure. Larger structures additional cost. Cannot be combined with other offers.
