After review of the invoices presented for payment, John Foley made a motion to pay the invoices presented for payment, and Steve Harper seconded the motion. After a roll call vote of 5 ayes and 0 nays, the motion carried.

Announcements/Communication:

Ray spoke to Knight Environmental Services about adding one more pick up day for the trash bin or adding one more bin. Currently, they do not have another bin available. And, the cost would increase for one more pick up day. The owner of the service told Ray that we should try to educate the public on who is allowed to use the bin service. It seems that people outside our township have been contacting Knight Environmental about the bins being full. We might try signage explaining rules. Ray will get pricing for a third day of pick up as well as cost of an additional dumpster bin. Then the options will be considered.

The storm/alarm siren was tested on the first Tuesday in March, and all is working.

The White Heath ball diamond building roofs are going to be replaced with metal roofing.

Old Business:

None

New business:

The 2015 Budget and Appropriation Ordinance for Town and Road district was to be adopted. But after inspection, an error was detected. So a special Township meeting will be held on March 26th at 7:00 to adopt the corrected Budget and Appropriation Ordinance.

Six sealed bids for the 2015 mowing and weed control contract were opened and read aloud. After study and discussion, it was decided to select the lowest bid per job of \$130. After a roll call vote of 5 ayes and 0 nays, the 2015 contract was awarded to Turf Care/Marc Mitchell—10 Sand Lake Rd—Monticello, IL.

Next year we might award a three year contract for mowing. Discussion will occur later.

A motion to adjourn was made by Steve Harper and seconded by Elsie Robinson. All were in favor.

Meeting was adjourned at 8:00 P.M.

Respectfully submitted,

Debbie Marshall

Sangamon Township Clerk
