The regular meeting of Sangamon Township was called to order at 7PM. Roll call was taken, the Pledge of Allegiance recited and a Safety Moment was had. Steve Harper mentioned a bad weather siren for White Heath is a good idea and the Township Office is the perfect place to put it. Shelia Maloney stated if we consider we should research where to put it so it would benefit the most people. Mike Nolan thinks there is law that will be passing that Townships will have to post a copy of the budgets. Since we have a website that would also be a good place to consider and go ahead and do. The April 2012 minutes were read and Elsie Robinson made a motion second by Jim Hogan to accept. The bills were reviewed and a motion was made by Elsie Robinson and second by Jim Hogan to accept. Piatt County Services for Seniors sent a thank you for the donation the Township made last month. Ray mentioned that he was taking information to the CPA to start the audit. He also told us the roof was leaking in the back room. Brent Buckalew stated he just finished up on Carle and Kirby, they would probably file for exemption since it's in the TIF district. He also told us he accepted an offer on his house and he would be moving at some point. Elise Robinson made a motion to go to closed session to discuss personnel issues, and Jim Hogan second. Returned from closed session and Elsie Robinson made a motion to appoint John Foley as Sangamon Township Trustee and Steve Harper second.
