**Announcements/communications:**

Kathleen contacted F.E. Moran regarding the existing security system at the Township building. We would like to discontinue the service. However since we signed a contract, the best they can do credit us \$150--and we must pay monthly until the contract expires in 17 months. Also under consideration is cancelling the landline to the Township building and establishing a Township email address. Kathleen made arrangements to pay the Highway departments' employees medical insurance a month in advance so there is no possibility of a delinquent month.

Debbie shared a thank you from the Paul Branch family for our memorial gift of flowers. Paul had served as a longtime Supervisor of Sangamon Township.

Larry plans to buy a used skidsteer to work on road edges. This could also lead to sharing equipment with Piatt County if the county buys a grinder.

**Old Business:**

None
