**Announcements/communications:**

Trustee Steve Harper tendered his resignation from the Board effective post meeting August 9, 2018 due to health issues.

Kathleen talked about an idea that Sangamon Township might sponsor a program in November for Sangamon Township residents that have “served”. She mentioned that she hoped John might act as our representative at a gathering to be held at the fire station in White Heath. John answered that he was already part of the “Monticello Area Military Recognition” group. They maintain 4 signs at each entrance to Monticello which display 60 different names of anyone who attended Monticello schools or currently reside in Monticello and are active duty. He supported Kathleen’s idea, but asked how we would identify the residents? His concern is that we might

overlook people. How would we get the word out? Maybe a generic representation rather than a list of names might be better to honor all who serve.

Kathleen suggested a replacement for Township Clerk. Kevin Duff has shown some interest in the position which will be open after November 30, 2018.

Kathleen also handed out copies of Bement's nuisance ordinance for review.

Electronic recycling is August 22<sup>nd</sup>. Kathleen plans to clean out some old equipment currently stored in our building.
