

**Sangamon Township  
Regular Monthly Meeting**

**Held at Sangamon Township Building, 1276 Old Rt 47 White Heath Illinois**

*August 14, 2014*

*Minutes*

The regular monthly meeting of Sangamon Township was called to order at 7:00 p.m. by Supervisor Ray Spencer. Roll call was taken. Elsie Robinson, Ray Spencer and Steve Harper were present. John Foley and Bill Olson were absent.

Debbie Marshall-Clerk, Larry Sebens-Highway Commissioner and Brent Buckalew-Assessor were also present.

A safety moment was recognized.

The pledge of allegiance was recited.

Public comments consisted of Melanie Perry sharing her desire to having the topic of White Heath School closure added to the agenda, and wants the Board to take a stand on the closure by passing their opinion to the School Board. She also is concerned about the proposed 1% tax increase. Mike Nolan was concerned that the regular monthly meeting agenda wasn't posted at the appropriate time.

The July 2014 minutes were read. Two items were reported incorrectly---Ray will ask Larry about taking rock to Mackey Cemetery-he hadn't asked yet, as reported. And the Monticello School anticipates receiving \$400,000.00 from the proposed tax-not \$4000.00 After discussion to amend minutes which were read, Steve Harper made the motion to accept the minutes and Elsie Robinson seconded the motion. All were in favor, motion carried.

After review of the invoices presented for payment, a motion was made by Elsie Robinson to approve and pay the invoices. Ray Spencer seconded the motion. There was no discussion. The motion carried with a unanimous vote.

Larry reported that he sold old culverts for \$381.00. The proceeds were to be deposited into the Road and Bridge fund account.

Brent shared that he has completed regular assessments for the Township-including The Villas of Hollybrook, an assisted living facility which is located in a T.I.F. district.

Old business continued with a discussion of making improvements to the entrance drive at Mackey Cemetery. Larry talked about the flow of rain water and snow melt at that location. He wondered if possibly a cold mix would be a good fix. In the meantime, Larry will dump some rock and hope that it won't wash out too quickly. Larry will also contact the Cemetery Sexton-Frannie Dick to plan a solution

No new business.

A motion to adjourn was made by Elsie Robinson and seconded by Steve Harper. All agreed.

Meeting was adjourned at 7:21 P.M.

Respectfully submitted,

Debbie Marshall

Sangamon Township Clerk
