The monthly meeting of Sangamon Township was called to order at 7PM. A safety moment was taken. The Pledge of Allegiance recited. Public comment was open and Melanie Perry stated there is a program called Life Wireless which offers free cell phone and minutes to low income families. Just send them over to the old K's store on Mattis to fill out the application. Jeff Barr would like for us to consider golf carts on the roads and requested we put it on the agenda for next month. The apartments across the street from the Community Building are having trouble with draining. Larry Sebens stated they would go clean out the drains again; they are only about 5 years old. Rich Harper stated the street sign by Doug Paris' needs fixed. Ray Spencer made a motion to approve bills and Elsie Robinson second. Kathleen Piatt stated that they meet on Tuesday and have a ruff draft that plan to email Lynn and for him to distribute to the board. They have had good participation. WHRL- Girls finished 4th, and they are getting ready to host a Pony Tournament and a church league. Thanks for the donation towards the flag and pole. Master Gardeners can not come out to work on our landscaping. Larry stated he would tear out the old and put down rock. Audit came through with no issues and has been filed at the courthouse. Lynn announces that he would be resigning by the end of the year. He has retired from Tate & Lyle and has taken a position that will require him to move and ask the board to think of who they might want to approach about being Supervisor. Steve made a motion to adjourn and Elsie second.
