The monthly meeting of Sangamon Township was called to order at 7PM. The Pledge was recited and a safety moment was taken. Public comment - Mike Nolan thanked Lynn Hiser for his service as Township Supervisor. Bills were reviewed and a motion was made to except from Ray Spencer and Steve Harper second. Larry mentions that they were putting overlay down in Sand Lake. Brent Buckalew stated that the new hospital and Carle are tax exempt. WHRL- church leagues playing ball. Golf carts on the roads. Melanie Perry had a question about who enforces the rules/laws. Larry's only concern is if there is another death and what that would do to the Township. Steve made a motion to adjourn and Ray second.
