Realty Grand Opening a Success!

Americas Dream Realty, (ADR). Grand Opening celebration held on July 20, 2022, at Lansing's Urban Beats, over a 100 Associates and well-wishers attended the event-pictured (below) Lt. to Rt. It is Wanda R. Williams' (the Founder and CEO of ADR) Marcus Jefferson, Publisher of the Michigan Bulletin and Acquanetta Glass, President/CEO of Avance Communications, Inc.

Michigan voters have a chance to narrow the field of candidates running for governor, Congress, the state Legislature and county-level races in the upcoming statewide primary election on Aug. 2.

Like all primaries, the purpose of the election is to determine which candidate will represent each political party in the upcoming general election. The statewide general election is set for Tuesday, Nov. 8.

The only race that will be voted on statewide in this year's primary will be the gubernatorial race, where five remaining Republican candidates are vying to take on incumbent Democratic Gov. Gretchen Whitmer, who is running unopposed in the primary.

Michigan's primary is what's known as an open primary, meaning that you can vote in any party's primary election, regardless of which political party you identify with. Unlike other states, Michigan doesn't have political party registration.

That being said, voters can only legally vote for one party's candidates.

For example, if a voter casts a vote for Gov. Gretchen Whitmer in the Democratic primary and one of the Republicans running governor on the GOP side of the same ballot, their vote won't be counted. Here's a quick guide to participating in the Aug. 2 primary:

Are you eligible to vote?
 Before you get registered, you must make sure you are eligible to vote in this year's primary. You must be:

- A resident of Michigan in your city or township for at least 30 days prior to election day
- A U.S. citizen
- Not currently serving a sentence in jail or prison
- At least 18 years old by election day

How to Register
 Since it's within 14 days of the primary election, you must register in person with your city or township clerk, and must bring with you a document verifying your residency. Such documents include a driver's license, a state-issued ID, a government, college or university document, or a utility bill, so long as they include your current home address. Registration can be done only at the clerk's office in the city or township in which you reside. They are open for registration during

Early Voting and Voter Registration Hours are Extended by Lansing City Clerk Office on Wednesdays and the Weekend Prior

The South Washington Election Unit is open to Lansing City voters for early voting and voter registration for the August 2nd Primary Election. The winners of this election will move forward on the ballot for the general election. Additionally, seven proposals are on the ballot for at least part of the City. The most common error that occurs in these partisan primaries is when

any normal business hours leading up to election day, and from 7 a.m. to 8 p.m. on Aug. 2.

If you are unsure where your clerk's office is, a quick search on the Department of State's website will give you that as well as any information on your voting status.

You are able to both register and vote in the same visit, meaning you can wait to do so until election day.

Who's on the ballot?

If you want to study up on the candidates or local ballot issues, the Secretary of State's office has sample ballots on its website for every voter in Michigan.

But you have to know which precinct you're registered to vote in. That can be found on your voter registration card. Precinct numbers can be found on the state's voter search website, either by name, date of birth and ZIP code or by driver's license number. Go to mvic.sos.state.mi.us/Voter/Index.

 Absentee Voting

If you wish to vote via an absentee ballot, you can both request and submit one on the same trip to the clerk's office.

Since the primary is less than two weeks away, local clerks encourage voters to drop off their absentee ballots at their offices to reduce the risk of a ballot getting lost in the mail. Many municipalities have secured drop boxes for delivering absentee ballots in person.

"Drop boxes continue to be among the safe options that voters have to return

their ballot securely this year, in addition to hand-delivering their ballot to their clerk's office, voting early at their clerk's office, or voting at their polling place on Election Day," Secretary of State Jocelyn Benson said in a statement.

How to change your vote
 If you have already submitted an absentee ballot and wish to — for whatever reason — change your vote, you can make a written request to your city or township clerk to spoil your ballot. However, this must be done prior to Election Day.

The written request must include both the voter's signature and whether they would like a new absentee ballot mailed to them or if they will pick it up in person at the clerk's office.

"This request must be received by 5 p.m. the Friday before the election if received by mail," the Department of State's website says. "An absentee ballot that has been returned to the clerk may be spoiled in person at the clerk's office until 10 a.m. the Monday prior to the election. An absentee ballot that has not been returned to the clerk may be spoiled in person at the clerk's office until 4 p.m. the Monday prior to the election."

Additionally, if you have not yet returned your absentee ballot and now wish to vote at the polls, you can do so by surrendering your absentee ballot or signing a statement saying that the ballot was lost or destroyed. Going to the polls

The polls will be open from 7 a.m. to 8 p.m. Aug. 2 for in-person voting.

voters select candidates from both the Democratic and Republican primaries. "Voters need to stay in their lane," said City Clerk Chris Swope, "if they cross party lines in this partisan primary only, those votes will not tally per Michigan Law. For the General Election in the fall, you have the option to select candidates of any or no political party." To make it easier for voters to vote

early via the absentee ballot process, there are extended hours at the Election Unit. Located at 2500 S. Washington, the City Clerk's Election Unit offers free parking, a 24-hour secure drop box, and is conveniently located on CATA Route #2. Just follow the "Vote Here" directional signs to the back of the building. Walk-in early voting is available now through Elec-

tion Day during the following times: Mon., Tues., Thurs. & Fri. 8:00 AM – 5:00 PM Wednesday 8:00 AM – 7:00 PM Monday, August 1st Only 8:00 AM – *4:00 PM (*due to state law) In addition to regular hours, the City Clerk's Election Unit will be open: Saturday, July 30th 10:00 AM – 4:00 PM Sunday, July 31st Noon – 4:00 PM

Voters still have the option to vote at home

The quickest way to request your absentee ballot for August/November is to visit lansingvotes.com and complete the on-line application. You will need your State of Michigan Driver's License or ID, and the last four digits of your Social Security Number to complete the application. At lansingvotes.com, voters may also sign

up online, download the form to request an absentee ballot, find the closest drop boxes, check on the status of their absentee applications, view the ballot proposals, and so much more. For a ballot to be counted it must be returned by 8 pm on Election Day which includes any of the secure drop boxes. Starting today, July

19th through Election Day, voter registration must be completed in Chris Swope Lansing City Clerk person at one's local City or Township Clerk's Office with proof of identity and residency. In fact, you can register and vote an absentee ballot all in one visit at either City Clerk location for Lansing City residents.

BE STILL AND YOUR SOUL WILL SPEAK

15 "Are you listening to me? Really listening? Matthew 11:15 The Message

Eternal God and Faithful Friend, blessings to you, Your heavenly host, the earth, and all therein. I confess that I am deeply disturbed by the eerily organized faith-based leaders who are silently and deliberately taking over America. Every now and then, these leaders blatantly worn "we are taking out country back," and when we do we are dismantling the Department of Education and we are going to prosecute everybody involved in the Committee and the January 6th Insurrection (my word) Hearings.

In the "religious" communities, I'm noticing five movements. The Jewish community is shoring up its history to guarantee that their rights are protected against the upcoming autocratic regime (Newt Gingrich, Franklin Graham, Jim Baker, and Janet Border, the Proud Boys, the Antisemitic, the Nazis, along with Trump's 30% who are quietly plotting to rig the November 8th votes to take over the House and the Senate. They already have the Supreme Court as a political body). Are you listening?

Then there are the faith-based communities that entertain us with their shouting, speaking in tongues, phenomenal music, sign and wonders, laying on of hands, and people passing out on the floor. I am NOT criticizing worship styles. I am asking how are you preparing for the Theocracy – One World Religion and Christian Nationalism peering over the "religious" horizon. This takeover is certain to happen unless we vote in droves on November 8, 2022. Are you listening? Are you Aware?

Some eyes of the atheist and agnostic are opening. They see better than many of us believers who seem to be apathetic about those who are working 24/7 to make America Great Again. Maybe if you took a look at decertifiedfraud.com and theamericafirstcontract.com you might experience a revelation of the Father of Lies's intent to sift you like wheat.

Matthew 11:15, New International Version puts the WORD from Jesus this way. "Whoever has ears, let them hear."

Are you listening? Are you Aware? Are you paying attention?
