GET READY TO SUCCEED IN THE WEEKEND EARTHDOG TESTS!

PRACTICE AND TRAINING OFFERED FOR ALL CLASSES

Saturday morning, November 20, 2021

Jackpot Ranch, 2025 Reservation Loop Rd, Camp Verde, AZ

9:00 to 12:00

Tickets are \$15 each, 4 for \$50.

Sign up on the day of the event starting at 8:00 am, Secretary's table.

You'll need one ticket for each dog in each class. Limited space.

Your dog will get two runs in the class with an experienced facilitator to offer advice, address issues and help your dog succeed. Dogs will be run in small groups, so they go once, wait, and then go a second time. Dogs should not be run back to back; they need time to process and watch. NO FOOD rewards at the dens!

Class 1, Beginners Introduction to Rats and Tunnels 9-10:00

Your dog will be introduced to a caged Rat and then learn to find the Rat in a tunnel on top of the ground. Not all dogs "graduate" their first time out, but if appropriate, your dog can advance to Class 2 right away.

Class 2, Beginners Introduction to Quarry 9-10:00

Your dog will learn to enter a tunnel underground and work the quarry by biting, barking, and/or digging.

Class 3, Senior Earthdog, recall only 10-11:00

This will be a class for the dog who has a hard time recognizing that the quarry is gone and is reluctant to come out. Using various techniques as needed, the dog will be encouraged to leave the tunnel when the quarry "bolts". It will be accomplished in a separate tunnel from Class 4 and is a separate ticket. **If you know your dog has trouble with the recall, do this class first, then try Class 5.**

Class 4, Junior Earthdog 11-12:00

Your dog can ease into the 30 foot long, dark tunnel required for the Junior Earthdog Class in a test. Facilitators will be able to tease the dog through by gradually putting the quarry farther in until the dog is comfortable with the whole length. Stronger, longer work will be encouraged as well.

Class 5, Senior Earthdog 10:30-11:30

The Senior Earthdog den has a steeper entrance, longer tunnel, side tunnels and distractions, plus the requirement to come out when the quarry bolts (is removed from the tunnel). Behaviors to deal with all these challenges will be encouraged. **If you know your dog has trouble with the recall, sign up for Class 3 before you do Class 5.** We cannot train recall in Class 5, so recall trouble could be exacerbated.

Class 6, Master Earthdog Den 9-11:00

Your dog will have a chance to practice Master performance in the regulation Master tunnel. The hunt-up/walk-up will not be part of this practice because extra hunt-up practice encourages dogs to run straight to the tunnel without hunting. If your dog needs practice with another dog in the field, you can find someone to walk with at another part of the test area. Ask for tips from club members or facilitators if you are unsure.

Note: Your dog will be able to participate in the classes of the practice and training event even if they are not entered in the Earthdog Trial. The practice and training classes are not required for entrance in the Tests. The classes are being offered by the Arizona Earthdog Club as a service to club members and others who may be interested in Earthdog as a sport. **If you are not entered in the Trial, a separate COVID Waiver will be required to be signed when you register for a class.**

These classes are conducted pursuant to the Rules of The American Kennel Club.
