

# Film Developing Price List 2024 (existing customers 10% discount)

## Film Processing & Scanning

From negatives, slides or prints. High resolution, fully colour corrected, colour dust and scratch removal. JPG is sufficient, for such a small negative, TIFF does not do a lot for you.

Type	Service	Maximum Time	Cost	Quantity
Disc	Develop & Scan	7 day	£17.50	
Disc	Scan 15 exp disk each	7 days	£12.50	
Disc	Replacement Disc pack (2 films)		£9.99
