Happy New Year 2025 !! I hope everyone had a Merry Christmas and a Happy New Year! Thanks to everyone that helped with decorating for the holiday events! December was a great month for charitable giving. We donated 50 bags of gifts to Standifer Place Nursing Home. We bought gifts for 10 Hamilton County Coalition families with 20 children and filled 89 stockings for Chambliss Home for foster children. On Christmas Eve morning, we packed 35 boxes with food and gifts for needy families. This is what Elks are all about, GIVING! Thank you to everyone that donated time and money for these events to support our community. We will kickoff January with 20 of the ENF scholars visiting our lodge January 9! Thank you to El Meson for providing the food and to Bob Williams for providing the music! We are honored to be chosen for this prestigious visit by ENF. We will end January with the Chili Cookoff and Polar Plunge! What a great event, I sure hope everyone will join us for this fundraising event for scholarships. We will kick off February 1 with the PER Casino event! Please see the flyer for details! Happy New Year, and I hope 2025 brings you health and happiness!

49,000 Wreaths Placed at National Cemetery

Of the 49,000 wreaths placed on Military graves at our National Cemetery, 1,027 were donated by our Lodge!

We surpassed our goal this year because of your support! A big shout out to Esteem Loyal Knight Mary Snellgrove for leading this event and to those that were able to support this cause. Additionally many of our Elks members volunteered their time to place the wreaths on the grave sites.

From the Secretary.....

Reeda Hall, Secretary

Welcome to 2025! I ask you to take some time to reflect on your year, take inventory of the important things and choose your path for the upcoming year. I ask you to write down 3 things that have shaped or guided you in life. Honestly, I use these 3 things in my life regardless of the aspect of my life. First, I am never too good to pick up trash. People are more apt to follow someone that cares about the little things. Second, we are all first-class citizens. Imbedded in our obligation is, "To do unto others as we would they should do unto us." And the third, you can take the job, the lodge, the life but you can never ever take the relationships and the memories. I think this year was prime example for many of us with the loss of life this past year. Even as our lodge continues to prosper, this year will provide many challenges. We continue to plan improvements and upgrades in the building. Please keep our projects and charities in your budget planning for the upcoming year. Consider how you would like to participate within the organization with time and efforts. Also, take a moment to thank those that continue to give of their time unconditionally. We have dozens of members that step up all the time for thankless tasks in the lodge and we would be much less without every one of them. A special thanks for all the support you have given to me. I ask for prayers and guidance as I continue planning to represent our lodge and our state in the coming year.

Cheers!
Reeda
