Seems like summer has been long and hot; however, fall is just around the corner, and football is finally back. The projector purchased by the PERs is up and functioning. Soon, we will be able to start scheduling events to use it for our pleasure.

The anniversary of 9/11 is approaching in a few days, and we will observe the occasion on that Saturday with a prayer and a moment of silence.

Make sure to thank all of our Veterans for their service to our great country.

Bucky will be grilling for us again for our Labor Day In Pool Party. Burgers and dogs will be ready around 11:00.

David will be closing the pool around the end of the month, depending on the weather.

We initiated 15 new members in August, bringing our membership to over 860 members.

We will host George Gray, our District Deputy Grand Exalted Ruler, at our Lodge meeting on September 16th.

It's never too late to sign up for the Elks Fidelity Club. For as little as a \$5.00 per month donation, you can become a proud member of this club, and signing up is simple and easy. Just go to Elks.org and search for Fidelity Club, and the sign-up is provided there.

There are many things planned for the month of September, so pin your calendar up so you don't miss anything. A food truck will start

being at the Lodge every Tuesday with delicious food.

Please keep in mind that most of our committees still need volunteers. Ask a member of any committee about signing up to help them.

The golf tournament teams are full, but sponsors are still needed for holes at \$125.00. Get your employers to display their company's logo on their own sign.

Fraternally,

Bill

Exalted Ruler

**We all thank you for your
dedication, loyalty, and
service to our country, and
to your fellow Elks!**

VETERAN OF THE MONTH

~Congratulations Frank Logan~

Our Veteran of the Month for September 2025 is Frank Logan. Frank served in the U.S. Army from 1981 until 1987, completing both his Basic Training and Advanced Individual Training at Fort Sill, Oklahoma. He was a 13 Bravo, operating the 8-inch Howitzer and the 155 tanks throughout his military career, and was honorably discharged from Fort Sill in 1987.

From the Secretary.....

I am reminded often that we should appreciate our members and friends before they pass. Take a moment in friendship and in kindness to listen to a story or a memory. History is meant to be passed down through generations. When I joined the lodge 24 years ago, I was the young one, and even the old guys weren't old. I know that because I am the age they were back then. Spend a few minutes reading the names on the Tablets of Memory. You may not have known many of those Elks that have passed, and maybe you will, and it will trigger a memory or a story that was shared with you.

Life on earth is short; make it count. Pay it forward! Leave this world better than you found it. Make someone smile. Share your knowledge and learn from others. Be good to our children because they will be the future of our lodge and of our Order. Family is blood, but it is also those people who care about you and whom you care about.

"The faults of our members write upon the sand, their virtues upon the tablets of love and memory."

Fraternally,

Reeda

As the end of summer approaches.....

The pool will close sometime in September depending on weather conditions and our chemical stock. Please remove all items from lost and found or they will be discarded. Please remove all pool floats from the Tiki Hut immediately. The Tiki Hut is not to be used as a storage area. We rent this area and these items are cluttering the building.

IMPORTANT UPDATE REGARDING GOLF TOURNAMENT

The Tournament will start promptly at 12 noon. It was originally communicated that there would be a 1pm start time. Please make a note of this important change! We look forward to seeing you there October 17th!
