

DAN NUNN

HOST / COMMENTATOR / EMCEE / SPEAKER

Dan Nunn brings an America First, constitutional conservative perspective to current events and politics, with a direct voice and a dose of weirdness.

Dan began commercial fishing in the Bering Sea at 15 and went on to build several businesses. That experience shapes his practical approach to the issues of the day. Encouraged by friends to take his commentary beyond Facebook, he launched The Nunn Report.

THE SHOW

Current events, politics and social issues through the lens of limited government, free markets and traditional values. The Nunn Report pairs a clear conservative viewpoint with Dan's personality and humor.
