

Let the decorating begin! ~ Joppa Christmas 2025

Christmas Details at <https://joppacommunity.com/christmas>

Friends of the Joppa Community invite you to join us! Fun, Food, Fellowship

- 9:00 am, SATURDAY, NOVEMBER 22, 2025
- Joppa Church Fellowship Hall & Grounds (finish up date Nov 29 as needed)

Our decorating committee has been hard at work designing & planning. For many years, we decorated our historic Joppa Bridge, which was swept away on July 5th. Let's keep this wonderful tradition, started back in 2007 by the Joppa Church, going strong!

We will provide coffee, breakfast food, and goodwill. Additional breakfast foods are welcome.

LIGHTS * TREES * WREATHS * NATIVITY * We will decorate the trees, the fences, the old bridge supports, and whatever we can reach!

- Bring Lights (LED or other,) Christmas trees, wire, zip-ties, extension cords, outdoor wreaths Or just come and cheer on the worker bees.

THIS YEAR, We are installing SIX T-posts for those wishing to bring & decorate a pre-lit tree along the edge of the parking lot. **Families are invited to bring a tree OR come decorate a tree that needs decoration.** Bring zip-ties or wire to attach your tree; weatherproof decorations that can withstand high winds & driving rain. Bows & ornaments fastened securely. There may ASLO be some "bare" pre-lit trees that need decorating TLC. Bring outdoor extension cords marked with your name.
