In order for Perkins Spine and Sports Medicine. to be able to provide quality care to our patients, we feel the following terms are necessary from our patients:

I _____ understand that as the recipient or the guardian of the recipient of medical care, I, the undersigned, am responsible for scheduling my appointments at convenient times and if I am unable to keep my appointment with my doctor, it is my responsibility to contact the office at least 24 hours in advance to cancel or reschedule my appointment. I understand that if I fail to provide the office with 24 hours notice, and if I, as an established patient, have 3 such occurrences within 12 months, will be charged a $25 fee. This fee must be paid prior to my scheduling another office visit appointment. Procedures and non-established patients are subject to a $50 fee upon first occurrence. I understand that if I am receiving prescriptions from my doctor, it is my responsibility to schedule and keep my appointments as directed by my doctor and that if I fail to do so, my doctor will not be able to prescribe my medications. If I am receiving medications from my doctor, I understand and agree that the office will need five (5) working days for medication refill requests.

I understand that it is my responsibility to provide Perkins Spine and Sports Medicine with my correct contact information and correct insurance information at each visit. I understand that if an insurance claim is rejected because of incorrect information provided (or failed to provide), I am responsible for payment in full for any charges, regardless of the provider status of my doctor. ***I understand that I must provide a state issued ID, my insurance card, along with the subscriber's name, date of birth AND Social Security Number, as well as the patient's Social Security Number for billing purposes.*** I also understand that my copay is due at each visit and if I am unable to pay this at the visit, I may have to reschedule the appointment. As a courtesy to our patients, we will file claims to your primary and secondary insurance. Please note, your health insurance is a contract between YOU and YOUR INSURANCE COMPANY, so it is your responsibility to ensure that our physicians are covered under your plan. Not all insurance companies carry the same benefits, so the services rendered to you in this office may or may not be covered. It is the patient's responsibility to know what is covered and if you need a referral, authorization or otherwise.

I hereby authorize the release of any and all information or documents to all parties related to obtaining my insurance benefits for claims submitted on behalf of myself and/or dependents. I further agree and acknowledge that my signature on this document authorizes my physician and all necessary parties to submit claims and/or to release medical information, as outlined in my contract with my insurance company, to obtain benefits for services rendered.

I hereby authorize my insurance company to pay and hereby assign directly to Perkins Spine and Sports Medicine all benefits. I understand that I am financially responsible for all charges incurred. I further acknowledge that any insurance benefits, when received by Perkins Spine and Sports Medicine will be credited to my account in accordance with my insurance company's assignment if my doctor is a provider for my insurance company. Any unpaid charges or fees for out of network service or non-covered services, regardless of the reason they are non-covered, are my responsibility.

I understand that Perkins Spine and Sports Medicine does NOT accept any financial assistance programs that might offered through hospitals and/or external organizations. I understand that by keeping my appointment, I will be responsible for the balance of my visit after insurance payments and adjustments.

I agree to make prompt payments for services rendered by Perkins Spine and Sports Medicine. I understand that if I am unable to pay the balance promptly, it is my responsibility to contact the office to make payment arrangements. I understand that if I fail to make prompt payments or fail to adhere to said payment arrangement, my account may be turned over to a collection agency. If this is necessary, I will be responsible for any collection fees, attorney fees or any additional fees related to collecting my balance due and could affect my ability to continue to schedule appointments. I agree that I have the primary duty and obligation to pay my doctor for their services, notwithstanding any contract I may have with any third party payer (for example, insurance company, employer, etc.).

I understand that if I have any questions about my responsibilities or this agreement, I am responsible for contacting the office of Perkins Spine and Sports Medicine with my questions.

I have read and agree to the terms outlined above.
