Therap Training Guide

Thank you for pairing with ABLED to serve Lincoln's developmentally disabled community. Habilitation and documentation go hand in hand in this field. This guide contains resources to properly complete your documentation. We highly encourage you to have a computer, a printer and a scanner to perform your documentation responsibilities well.

→ DOCUMENTATION in Therap is imperative for your success as well as the participant and ABLED.

1. **POLICIES:** Familiarize yourself with ABLED's policies at www.abledinc.com. Failure to follow policy may be considered neglect and a breach of contract.
2. **DAILY DUTIES:** Daily duties are referred to as STAMP. Document 3 items when services are provided. (T-Log - ISP Data – Attendance) Check your SComm inbox every day, mark them as read & follow up as needed. Complete MARs as required by the Med Aide Act.
 - SComm
 - TLog
 - Attendance
 - MAR
 - Program Data
3. **FEE/BONUS:** Employees must enter data within 24 hours of services to avoid a 5% penalty. SLP's will earn the 5% bonus by entering data within 24 hours of services. Please search and submit all missing data prior to 3 pm on the last day of the month for payroll.

→ NOTIFICATIONS – Pierre is the direct supervisor of all SLPS and DSPs.

1. **DSP Coverage:** Notify Pierre by SComm 48 hours in advance if you are not able to work your shift. Notify Pierre by SComm two weeks in advance if you need to take off more than one day. Do not attempt to find staff for your shift. Text Pierre in the event of an emergency.
2. **SLP Back Up Staff:** Notify Pierre by SComm of your back up staff's schedule. Back-up staff hours must be logged in a ledger and limited to 360 hrs per annual budget year. Download at www.abledinc.com. Back-up staff must be approved by Pierre, have current certifications/documents in Therap & be listed in the ISP.
**SLP Back-up staff will enter MARs, TLogs and ISP Data and should be paid a fair amount by the SLP. The SLP will enter attendance.*
3. **Travel:** Notify Pierre by SComm when you or the participant will be travelling out of a 50-mile radius.
4. **Out of Services:** Notify Pierre by SComm when the participant will be out of services.

Electronic Visit Verification (EVV)

EVV electronically captures and verifies provider visit information such as location, signature, voice recording. ALBED uses location only. EVV is available by downloading the free Therap Mobile App to your smartphone. EVV is required for participants receiving the following services:

- a. Supported Family Living (7494)
- b. Independent Living (2639)
- c. Behavioral In-Home (1796)
- d. Medical In-Home (9220)
- e. Respite (2656)
- f. Homemaker (9769)

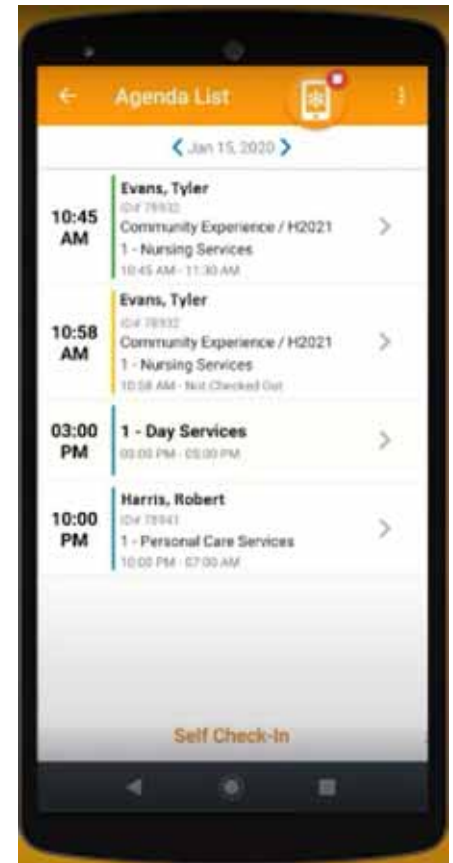

Please click on the link below to watch the training video to learn how to clock in/out for EVV.

Android: https://help.therapservices.net/app/answers/detail/a_id/3667/kw/evv%20mobile

iOS: https://help.therapservices.net/app/answers/detail/a_id/3666/kw/evv%20mobile

Basic Steps

1. Download the Therap Mobile App
2. Login
3. Select Scheduling/EVV Module
4. The Agenda List for the current date will load. Use the arrows to view other days.
5. ABLED has entered your schedule.
 - Blue - Approved, ready to check in and out
 - Orange - Incomplete, checked in, not checked out
 - Green - Complete, checked in, checked out
6. The quickest way to check in/out is to swipe to the left. You may also tap on the slot to view the Agenda Record and click "Check In/Out", then click the check mark or submit icon to save.
7. If your location services are not already enabled, you will need to do so in order to check in/out. Location is the verification process ABLED uses.
8. Once saved the Agenda Record will show the check in/out times scheduled vs actual times entered. This will replace entering data in the Billing/Attendance Module.
9. Select a slot from Agenda List to open the Agenda Record at any time to view details.
10. If you forget to check out, the system may not accept your entry. This will also occur if you try to check in too early. In this case you must provide a comment for the ABLED scheduler to know what happened. Please provide the correct check in/out time in the comment, then click the check mark or submit icon to save.
11. Additional levels of verification can be used. These include Signature or Voice recording.
12. If your schedule is not available on Therap, contact an ABLED scheduler admin or, if available, use the "Self Check-In" icon at the bottom of the Agenda List screen. This feature captures the current date/time to check in. Select Individual, Program and Service. Click "Next". Click the check mark to save your selections. Choose the slot you created to check out once services are complete. Swipe left or click "Check out", click the check mark or submit icon to save.
