

Pictures will be taken at Motion Dance Studio on Saturday, April 26th.

You will have the opportunity to order group and individual photos in each recital costume. All orders must be placed and paid in full to Our Heritage Photography on picture day. Please do your hair and makeup at home and don't forget to bring all your costumes and dance shoes. It is important for everyone to be ready on time so that we can keep our schedule running smoothly throughout the day. Please let us know if you do not plan to come for pictures so that we won't be waiting on a group photo for someone who will not be attending the photo shoot. There is additional parking in the two community parking decks close by.
