

### **Motion Dance Studio Monthly Tuition 2022-2023**

Tuition is due on the first class of each month. You may not subtract from your payment for missed classes. However, you may bring your child to a make-up lesson. We offer a 10% sibling discount and a 5% semester payment discount.

\*Competition Students will owe an extra \$10.00 for your required once a month Friday rehearsals which will be 5:30-7:30. A complete schedule will be provided for you at Open House and more details will be provided at the Competition Clinic so you can plan ahead. You will also need to commit to performing at the Southern Christmas Show, Christmas Tree Lighting, Christmas Recital, 3 Competitions and Spring Recital. If you cannot participate in ALL of the above performance opportunities, please select non-competitive classes instead. These classes are just as fun and educational. They just require less commitment. Competition students are only excused from 3 classes per semester since we need an equal level of dedication from each member of the team. \*

Solo, duet, trio choreography is available for competition students and high school seniors for \$50.00 a month September through May for a total of \$450.00 a year which would be divided between the members of a duet or trio. Private lessons can be scheduled for any students if they fall behind on choreography if time is available. Private lessons are \$30.00 for 30 minutes.
