

## Bomb It Golf Amateur Tour Sponsorship

B.I.G. Amateur is a small business model supporting the needs of golfers in the NE Georgia area. This can be a huge marketing opportunity for many other small local businesses to get their names and info in front of hundreds of potential new customers directly in your market. Our base demographic are golfers between the ages of 18 to 80+ years old. These are your homeowners, car driving, fitness enthusiast, beverage consuming, physical and mental therapy needing individuals. They need the services that you offer. My goal is to help you advertise and hope you would do the same for me. The majority of your sponsorship money will be invested into the advertising and materials provided to the participants. Through advertisements on social media platforms and onsite signage as well as other marketing materials like scorecards and score boards not to mention word of mouth. If you have received this I feel your organization can benefit from a partnership with mine. I have most likely used your service or recognize you as someone I am willing to associate my brand with yours. I am hopeful you will see this as a very minimal expense to get positive results in your area.
