Quarterly Charity Drive

For the first quarter of 2020, TAG is partnering with Pets Fur People. At The Humane Society's Pets Fur People, they provide an animal sanctuary for cats and dogs while helping them find their forever families. Over the last 50 years, they have saved thousands of animals through facilitating pet adoptions and teaching responsible pet ownership at their no kill pet shelter in Tyler, Texas. Call or visit their animal sanctuary today learn more about the amazing animals and how to make them a part of your family.

As a selective admission, life-sustaining animal shelter in Tyler, Texas, their mission is to provide a temporary haven for cats and dogs while helping them find the right home. By committing to these animals and connecting them with caring, loving families, they hope to reduce and ultimately eliminate the practice of euthanasia as an acceptable method of population control. For more information about the animal shelter and how you can help out through adoptions and donations, please contact them today.
