TYLER EQUALITY NEWS

Sponsorship

Would you/your organization like to sponsor the Tyler Equality News during a specified month? With your \$50 tax deductible donation, you would be helping Tyler Area Gays (TAG) accomplish their mission of promoting community wellness and celebrating our diversity through support, education, outreach, and advocacy. TAG believes that, through community collaboration, we can accomplish great things and make Tyler a better place to live, work and visit!

These are just some of the ways your donation would help improve the community:

- **The Thomas R. Preston Memorial Scholarship** a scholarship for those seeking continuing education
- **The Hummingbird Project** the goal of The Hummingbird Project is to put an end to LGBTQIA+ homeless youth in East Texas through advocacy, educational outreach, and eventually securing and creating LGBTQIA+ safe shelters and sober community centers.
- **Quarterly Charity Drive** TAG partners with non-profit organizations in East Texas each quarter and assess their needs, then reach out to the community for donations of needed items.
- **Adopt-A-Street** TAG partners with the City of Tyler by having adopted Bois D'Arc between Front Street and Gentry Parkway. Each quarter TAG volunteers meet to clean this stretch of roadway.
- **A Listening Ear** an LGBTQIA+ support group aimed at our youth, but open to all ages.
- **Other Events** during the year TAG participates and/or partners with other non-profit organizations.
