The Honourable Anita Anand  
Minister of Public Service and Procurement  
House of Commons  
Ottawa, ON K1A 0A6

Dear Minister:

I am writing you today regarding a business in my riding who has applied to support Canada's response to the Coronavirus disease (COVID-19).

I would like to draw your attention to **Novo Textiles Co.**, a local manufacturer that is able to produce personal protective equipment (PPE) for use by frontline healthcare workers. Novo Textiles Co. is already providing PPE to provincial healthcare workers. I am pleased to highlight their ability and desire to assist with federal attempts to source these essential materials within Canada.

I have included the contact information for Mr. Jason Zanatta, my point of contact with Novo Textiles below:

Yours Sincerely,

Ron McKinnon, MP
