

FallamaFest 2026 Clinic Information

We are excited to offer two great clinics for our 4th Annual Show!

Clinic One

Camelid Nutrition, with Signe Balch, DVM

Dr. Balch will host our clinic again this year! Dr. Balch is excited to share her knowledge on camelid nutrition. Bring your questions! We'll be set up on the porch of the main barn.

A little background on Dr. Balch, of Cherry Valley Veterinary Services. She is a well-known camelid veterinarian in the state of Colorado. In addition to alpacas and llamas, Dr. Balch also specializes in other ruminants, like goats and sheep. Dr. Balch received her Doctor of Veterinary Medicine from Kansas State University, her DPhil from the University of Oxford, and her Post-Doctorate from CSU. She regularly teaches a neonatal class in the spring, at CSU Veterinary Teaching Hospital.

Sign up for the clinic on the registration form.
