1. Waiting List Deposit

A **non-refundable deposit of \$500** is required to join the puppy waiting list. This deposit **will be applied toward the total purchase price** of the puppy.

Deposits are **NON-REFUNDABLE**.

Deposits are **TRANSFERABLE to a future litter** only if:

- No suitable puppy is available, or
- The Breeder determines a puppy is not the right fit for the Buyer.

Deposits may not be transferred to another person

2. Additional Deposit & Payment Schedule

- At approximately **4 weeks of age**, an additional **\$1,000 non-refundable deposit** is required to remain on the litter list.
- The **remaining balance** is due **at puppy pickup**, unless otherwise agreed to in writing.

Failure to submit the additional deposit may result in forfeiture of the waiting list position.

3. Waiting List & Pick Order

The deposit secures a **position on the waiting list**, not a specific puppy.

- Pick order is determined by the **order in which deposits are received**.
- Puppy selection will occur at approximately **6 weeks of age**, after temperament and structure evaluations.
- The Breeder reserves the right to:
 - Retain any puppy for breeding or show purposes
 - Adjust pick order to ensure the best match between puppy and home

4. Planned Breedings

Deposits may be accepted for **planned breedings**, which are not guaranteed.

If a breeding does not result in a litter, the deposit will be **transferred to the next available litter**.

Waiting lists are limited based on realistic litter size. Deposits will not be accepted beyond available placements.

5. Puppy Pickup Timeline

- Puppies are typically ready to go home between **8 and 10 weeks of age**, determined on a **case-by-case basis**.
- Pick dates are set by the Breeder in the best interest of the puppy.

If pickup cannot occur within **three (3) days** of the puppy being cleared to go home, **boarding fees will apply**, and the Buyer must adhere to the Breeder's Boarding Contract.

6. Breeder Ethics & Final Authority

The Breeder's goal is to place each puppy in the most suitable home based on temperament, lifestyle, and experience level.

The Breeder reserves final decision-making authority regarding placement to ensure the health, safety, and success of each puppy.
