Empower the Future: Support Youth Transformation and Legacy Building

Goal: \$2,500,000.00

Help Us Rise: Donate Today to Transform Young Lives!

To School District Leaders, Educators, and Staff of School Establishments:

We are reaching out to you to join us in a profound movement that can change the trajectory of countless young lives. At **Now We Rise Ministry**, we are working to **empower youth, ignite leadership, and heal generations** through transformative programs, mission trips, and community building initiatives. But we need your help to make this a reality.

Why We Need You:

As educators, you understand the power of guidance, mentorship, and the opportunity to nurture young minds. With your support, we can continue and expand our critical work:

1. **Dope Soul Mentoring** – Bringing trauma informed mentoring programs into schools to inspire, uplift, and help young men reclaim their purpose.
2. **Mission Trips of Purpose** – Taking youth on life changing journeys that restore identity, spiritual grounding, and leadership.
3. **Youth Empowerment Gala** – Providing a platform for teens and young adults to rise, heal, and step into their power.
4. **Transportation for Outreach** – Ensuring youth in underserved areas can access life changing programs and opportunities.
5. **The Oasis Rise House** – Creating a permanent home for transformation, healing, and legacy building for youth across the nation.

Thank you for being a part of something bigger. Your support is the key to unlocking the future.

We know that **education** doesn't just happen in the classroom, it happens when we **meet young people where they are**, provide them with the support they need, and **nurture them into the leaders of tomorrow**. That's what Now We Rise Ministry is all about.

Your Role:

By supporting our efforts, you're not just making a donation. You're investing in a **legacy of healing and leadership**. With your contribution, we can expand our programs into schools, support mission trips that change lives, and create safe, sacred spaces where young people can thrive. Together, we will build kings and queens who lead with light, love, and purpose.

We invite you to make a donation today and **empower the next generation** of leaders. Here's how your support can make an impact:

- **Mentorship Programs** in underserved schools
- **Trauma-Informed Education** for students and families
- **Mission Trips and Empowerment Gales** to build leadership and legacy
- **Transportation** to ensure youth have access to life changing opportunities
- **A Permanent Healing Space** at the Oasis Rise House

This isn't just charity

This is **legacy work**. It's about **creating lasting change**, empowering youth to lead with integrity, and giving them the tools to break the cycles of trauma and poverty.
