

A Special Call to Churches: Partner in Purpose

Title: *Empower the Future: Support Mission Trips, Youth Gala, Transportation & Ministry Property*

Dear Churches,

I come to you with a call to action, a call to help us raise a generation of young men and women who are not only equipped for success but empowered by purpose, grounded in faith, and driven by legacy.

I am Darnell Reynolds, a U.S. Army veteran, a seasoned mentor, educator, Behavior Modification Specialist, American State National and the founder of ***Now We Rise Ministry***. I've dedicated my life to guiding youth, many from underserved communities out of trauma and into their rightful place as leaders, creators, and change makers. Together, we have the power to help young lives flourish and rise from the challenges of today to the possibilities of tomorrow.

We are embarking on a bold mission to raise **\$2,500,000.00** to fund five transformative projects. Each one is designed to uplift our youth, restore their sense of identity, and equip them to walk confidently in their purpose. These projects include:

1. Dope Soul Mentoring: Awaken Purpose, Reclaim Identity, Lead with Light

A holistic, faith centered program that helps young men (ages 13-18) find their identity, recover from trauma, and lead lives rooted in love, resilience, and purpose. Your support will fund mentorship, curriculum, and a safe space where healing happens.

2. Transformational Mission Trips: Purpose, Healing & Legacy

Mission trips are not about "saving" but awakening the inner power and sovereignty in our youth. With your partnership, we can take young men on life changing journeys that will build spiritual strength, leadership skills, and cultural pride.

3. Youth & Young Adult Empowerment Gala: From Pain to Power

A two day event designed to break the cycles of trauma and elevate our youth into their divine potential. The gala will empower teens and young adults with mentorship, tools for leadership, and a celebration of their resilience. Your support will make this event a reality.

4. Transportation for Local Youth Outreach: A Vehicle for Healing and Opportunity

21–24 passenger minibuses will allow us to transport young people to life changing programs, retreats, and events. For many, this will be their first opportunity to leave their neighborhoods, meet mentors, and experience new horizons. Your donation will give these youth the freedom to move toward their brighter futures.

5. The Oasis Rise House: A Sanctuary of Sovereigns

We are raising funds to purchase a permanent home for *Now We Rise Ministry*, a sanctuary where young people can heal, grow, and be empowered to fulfill their God given purpose. This space will serve as a center for mentorship, leadership development, and community transformation. This is not just a building, it is a legacy in the making.

Why We Need Your Support

As members of the Body of Christ, we know the power of community and the impact of coming together to support one another. Your financial gift will not only provide resources but will contribute to the lasting transformation of our youth. Through these initiatives, we will be planting seeds that will yield a generation of leaders who will rise, reclaim their purpose, and lead with integrity, wisdom, and love.

How You Can Help

We invite your church to partner with us in one or more of the following ways:

- **Pray:** Cover these initiatives in prayer for God’s wisdom, provision, and success.
- **Donate:** Every gift, no matter the size, will help us reach our goal of **\$2,500,000.00** and bring healing and transformation to our youth.
- **Spread the Word:** Share this message with others who are passionate about helping youth rise to their potential.

Together, we can make a monumental impact. This is not just about a donation; it is about investing in the future of young men and women who will lead, create, and transform their communities for generations to come.

Let’s build kings and queens. Let’s rise together.
