

Empower the Future: Partner with Us to Transform Lives and Build Legacies

Dear Corporate Partners and Business Leaders,

We are at a pivotal moment; a moment where your support can help us transform the lives of young men and women who are ready to rise beyond their circumstances and lead with purpose. I'm Darnell Reynolds, a U.S. Army Veteran, educator, lifelong mentor, American State National and I founded *Now We Rise Ministry* to create a lasting impact on the future of our youth, particularly those from underserved communities. We are raising **2.5 million dollars** to fund **five critical projects** that will transform lives, ignite leadership, and build lasting legacies.

Why You Should Partner With Us:

At *Now We Rise Ministry*, we're not just talking about change; we are creating it. With your support, we can:

1. **Empower Youth through Mentoring and Mission Trips:** Our programs, like *Dope Soul Mentoring*, reach at risk youth and help them reclaim their identity, heal from trauma, and lead with love and purpose. We're sending these young men on life changing mission trips, spiritual journeys that will unlock their potential and change the trajectory of their lives.
2. **Host the Youth & Young Adult Empowerment Gala Weekend:** A two day transformative event that will activate legacy, leadership, and purpose in teens and young adults, helping them break cycles of trauma and embrace their full potential.
3. **Provide Transportation for Local Outreach:** Too many of our youth are limited by a lack of transportation. By helping us secure a minibus, you're opening doors to new opportunities, providing access to retreats, college tours, and mentoring sessions.
4. **Build The Oasis Rise House:** A permanent, sacred space where youth can heal, grow, and create legacies that will resonate for generations. This isn't just a building; it's a sanctuary for transformation and empowerment.
5. **Drive Real World Change through Service Projects:** Our youth aren't waiting for change; they're creating it. From murals to digital storytelling, we're giving them the tools to create legacies that will last long beyond their time.

What's In It for You:

- **Brand Visibility:** Aligning your business with a movement focused on purpose, empowerment, and transformation will increase your brand's visibility among conscious consumers who value social responsibility.
- **Community Impact:** Your support will directly contribute to the growth of future leaders who will make meaningful changes in their communities. This is more than a donation, it's an investment in a generation of change makers.

- **Employee Engagement:** Your company's employees can actively participate in volunteering and mentoring opportunities, contributing their skills to a cause that builds a better tomorrow.
- **Tax Deductible Donations:** As a partner, you can take advantage of the tax benefits that come with supporting a nonprofit organization.

Our Goal: \$2,500,000.00

We are raising funds to make all of these dreams a reality. But we can't do it alone; we need partners who are as committed to creating lasting change as we are.

How Can You Help?

- **Corporate Sponsorships:** Become a key partner by sponsoring specific programs, events, or initiatives.
- **In kind Donations:** Offer products, services, or resources to support our mission.
- **Employee Volunteer Opportunities:** Empower your team to get involved in mentorship, event planning, and community outreach.
- **Financial Support:** Make a donation that will directly fund these transformational projects.

Let's Rise Together.

Together, we can change the lives of young men and women who will go on to lead with purpose, power, and love. Your partnership will not only shape the future of these youth; it will transform the very fabric of our communities for generations to come.

Donate today. Partner with us to help these young leaders rise.
