

HELPING COMPANIES RETURN TO WORK SAFELY

RS2 DEALER CONFERENCE 2021  
#VIRTUALLYUNSTOPPABLE

# THE “NEW” WORK ENVIRONMENT

Social distancing

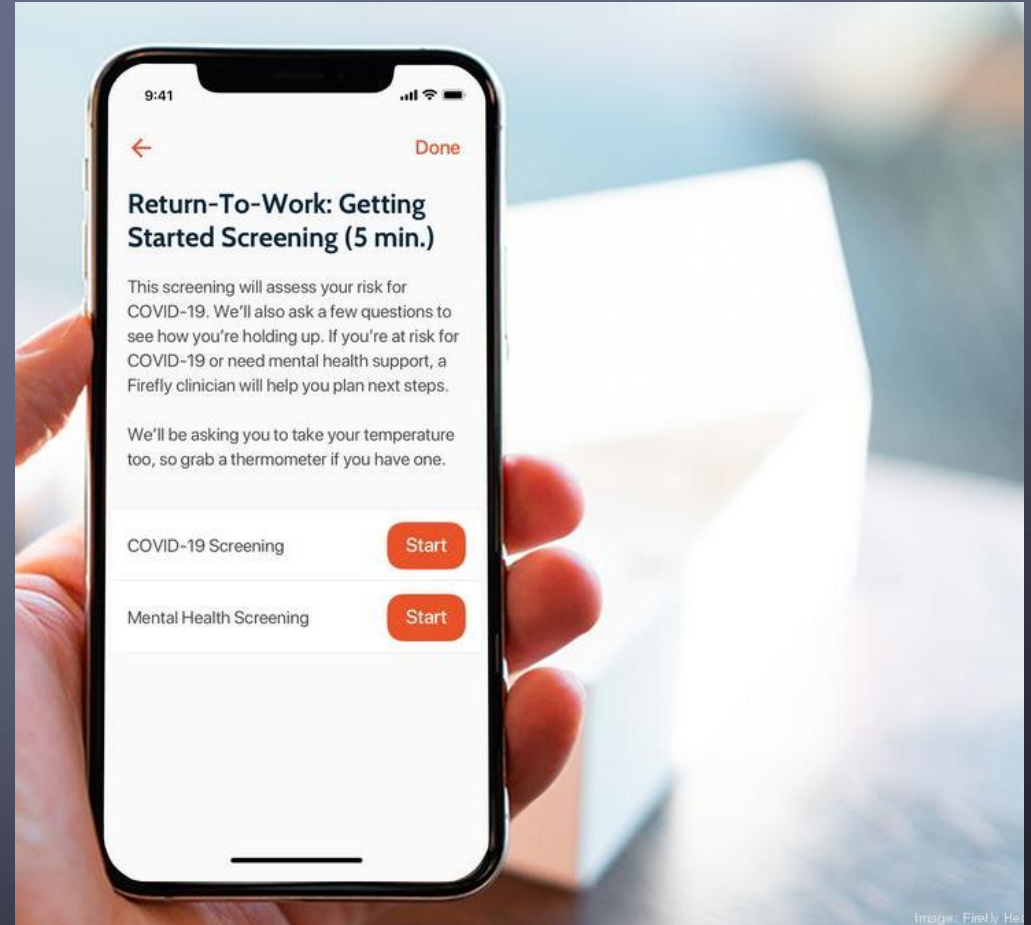

Mask enforcement

Contact tracing

Limiting on-site workforce

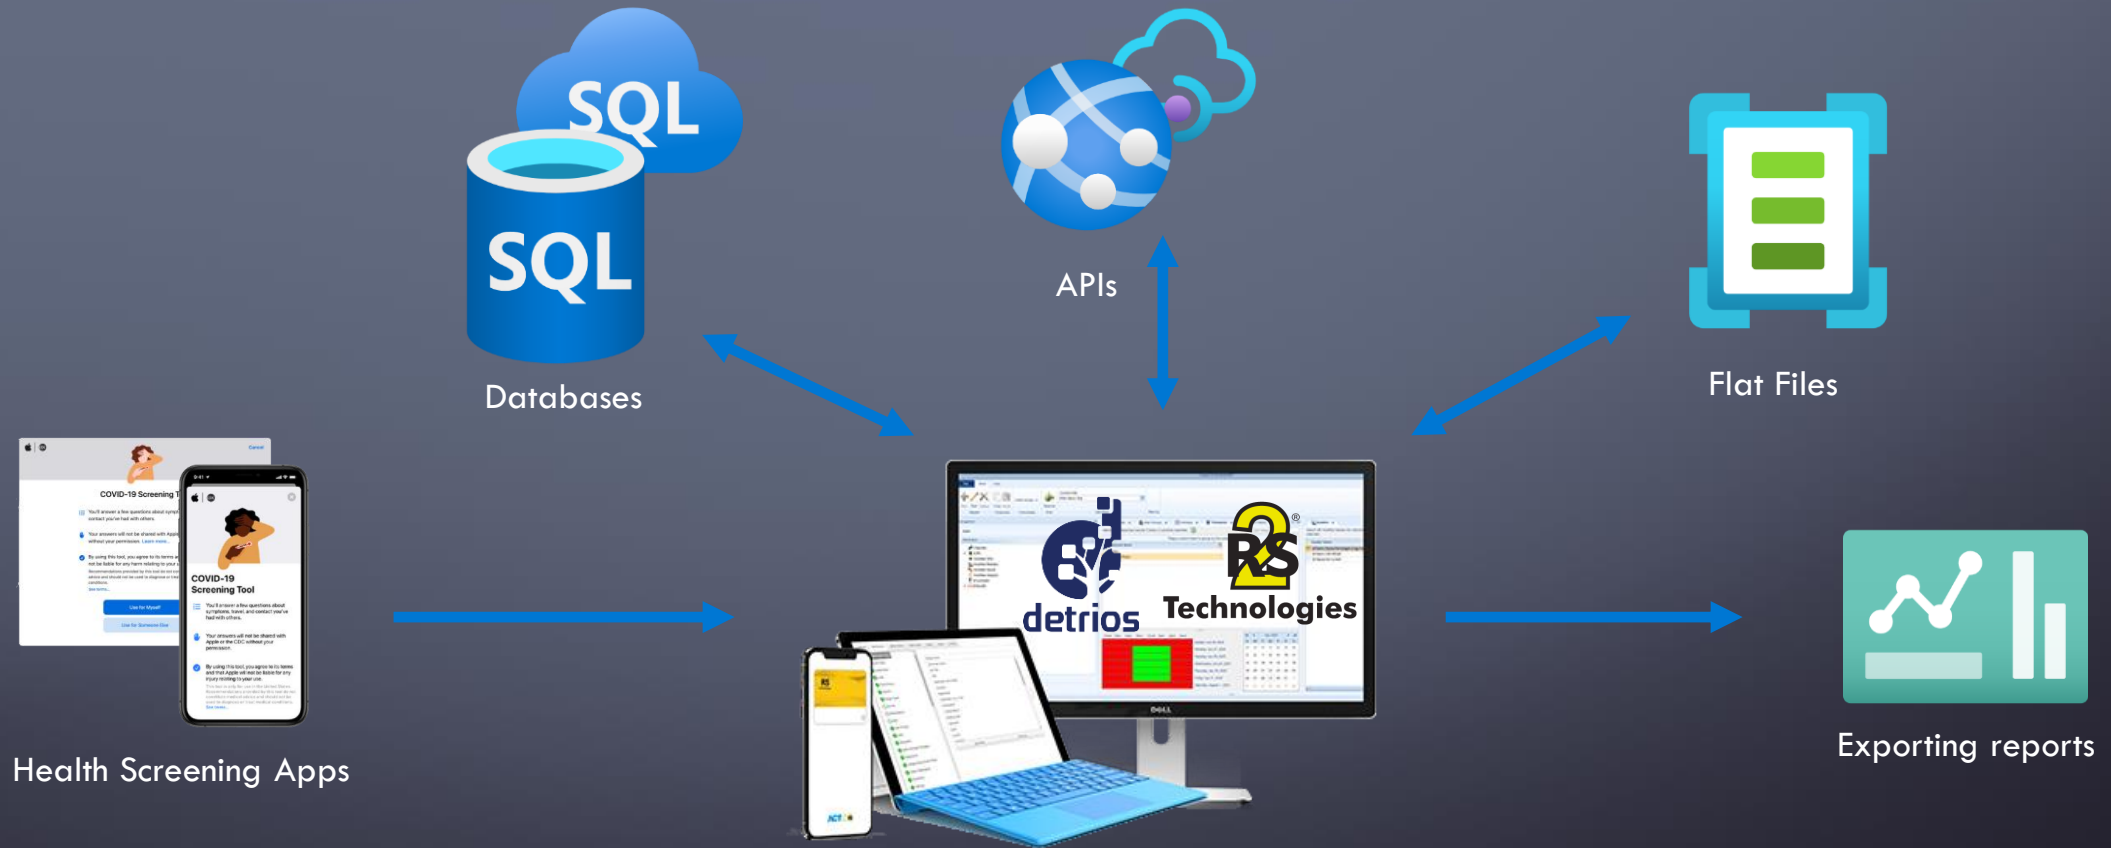

# ACCESS CONTROL IS ONLY PART OF THE SOLUTION

Integration and enforcement are critical to providing a **complete** solution

# HEALTHIER, SAFER WORKPLACES THROUGH INTEGRATION

# CONTACT EXPOSURE REPORTING TOOL (CERT)

*Manually gathering and aggregating contact tracing data is time consuming and error prone*

Detrios COVID-19 Exposure Report Tool

**Database Section:**

- Access Control System: RS2 AccessIt! Universal (dropdown)
- Database Server Name: (empty text field)
- Database Name: AllUniversal (text field)
- ☒ Use Windows Authentication
- SQL Username: (empty text field)
- SQL Password: (empty text field)
- Connect / Load Readers (button)

**Report Section:**

- Timezone: (UTC-05:00) Eastern Time (US & Canada) (dropdown)
- Reference Start Date: 01/01/2020 (calendar icon)
- Reference End Date: 02/29/2020 (calendar icon)
- Evaluation Start Date: 01/01/2021 (calendar icon)
- Evaluation End Date: 02/09/2021 (calendar icon)
- ☒ Weekdays Only
- ☒ Discard Empty Days
- Available Readers: 1000-ID1-1320-0-0, 1000-ID1-1320-0-1, 1000-ID2-1320-2-0, 1000-ID2-1320-2-1, 1000-ID3-1320-0-0, Demo Reader 2, Meliora 2, Reader2, TEST READER 2
- Selected Readers: 1000-ID3-1320-0-1, Demo Reader 1, Excluded Reader 1, R-02-300-U2.4-E-2398-CARDSEI, TEST READER 1
- Generate Report (button)

**Results Section:**

- Average Unique Cardholders
- Reference period: 1.4 (text field)
- Evaluation period: 1 (text field)
- Workforce Percentage: 71.43% (text field)
- Export Raw Data... (button)
- Detrios logo and contact information: <https://www.detrios.com>, [info@detrios.com](mailto:info@detrios.com)

The Detrios START app is a **free** work force access report

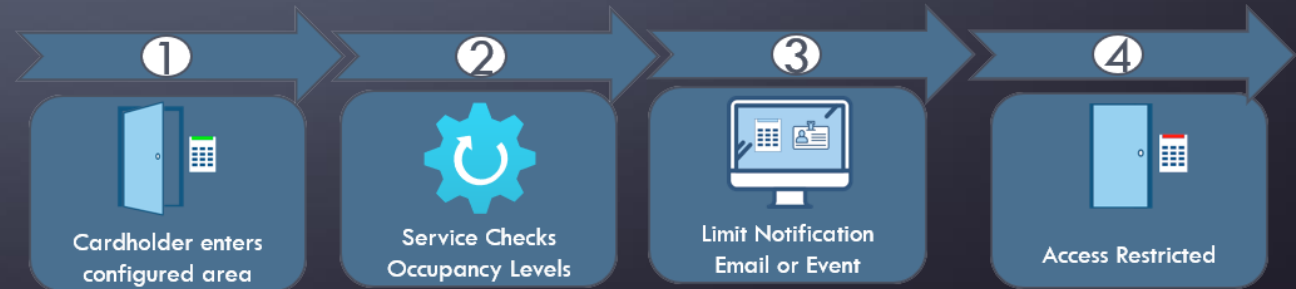

Download today at [detrios.com](https://www.detrios.com)

# WORKFORCE ACCESS RESTRICTION

*Enforcing onsite workforce limits manually is challenging*

With Detrios, companies can enforce on-site workforce limits based on their individual requirements

# SCREENING DRIVEN ACCESS

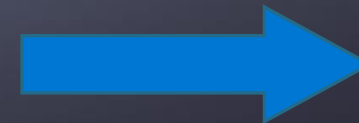

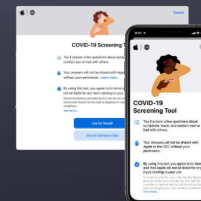

*Daily health surveys are the “new normal”.  
Effective enforcement and reporting strategies  
are critical to driving increased compliance.*

With Detrios, companies can enforce  
health survey compliance by automating  
access restrictions and reporting
