Founded in 1988, the Loudoun County Deputy Sheriff's Association (LCDSA) is a non-profit, non-political, and non-stock fraternal organization dedicated to the men and women of the Loudoun County Sheriff's Office and the community we serve.

Membership is open to all employees of the Loudoun County Sheriff's Office, sworn and non-sworn, regardless of rank or position.

Our purpose is to promote professionalism in the law enforcement community, build camaraderie and foster morale within the agency, provide a forum for social activities for members and their families, recognize outstanding service within our community, and provide resourceful information that will benefit our members.

We support our members in their own community efforts and are always willing to provide whatever resources we can for our members when asked. This is especially true when responding to the needs of our members and their families during times of crisis. Our members are the most important aspect of our Association and that will never change!
