\*Note\* All Coach Concern Forms must be signed and dated in order for the Fast Break Club to validate the concern. Any anonymous complaints will not warrant intervention, and be treated as hearsay. With the exception of physical abuse, The Fast Break Club Board encourages each player(s) and/or parent(s), after a 48 hour waiting period (NOT the day of a game) to first address concerns directly with the coach. Allegations of physical abuse should be brought to the attention of the Fast Break Club Board IMMEDIATELY!
