Tap Times

December 2025

Well Hello!!!

This is a big one Tappers... The Tamworth Tap has been named as one of 'the 20 best pubs in the UK you need to visit' by HELLO! magazine. What an accolade! We've had a look at the list and some of our all-time favourites are featured. We are totally amazed and humbled to be named alongside these historic and iconic watering holes.

Hug In A Hamper

We spent some time at the 'Hug in a Hamper' HQ recently, seeing what happens to all your donations. We handed over more items and made a cash donation too, thanks to a very generous Tapper, which we matched. We also made some hampers up while we were there. We made a men's hamper and one for women who have suffered with cancer. It was a completely humbling experience and we are totally in awe of what Di, Steve and the team have achieved once again. The scale of the operation is quite incredible. A huge thanks to them and to you for making a difference to so many people's lives.

Christmas ON The Castle

Huge well done to New Urban ERA Nue for their Tamworth Light Up The Castle event. It was spectacular to watch. The projections were wonderful and the castle looked stunning lit up. We absolutely loved seeing the Tap feature again with the wonderful Tammy Land Girls performance. Bravo to everybody involved!

The Tap Remembered

was incredible and the praise and thanks we received from visitors old and new was overwhelming. The Tap remembered.

A huge thank you to everyone who joined us for Remembrance Sunday. What a special occasion. We were proud and honoured to host so many of you. The atmosphere

Festive Menu

You keep asking, so here you go folks ... our Festive Menu is back and it's available all through December. All your faves from last year like Piggies in a Pot and Tap Topped Fries - The Christmas Edition are making a comeback, along with new tasty treats such as Pretzels Drenched in Cheesy Ale Sauce, Mini Filled Yorkshire Puds and Christmas Camembert to share. Who doesn't want to dip juicy pigs in blankets and crispy roast potatoes into hot melted cheese?! And yes - the Sprout Bhajis are back!

Treat yourself to a taste of the season at the Tamworth Tap.

Tap Merch

It's that time of year ... Looking for gift inspiration? In case you aren't aware, we sell our own branded beanies, badges, mugs, notebooks, pens, doggie bandanas and doggie beer. They make perfect gifts for that Top Tapper (or pampered pooch) in your life! Just ask at the bar. And, very exciting news ... we've got brand new Tamworth Tap hoodies about to land. You know you need one!

Faith on Tap

After the success of the few, this meet up is going to become a regular thing. From the group ...

We've started up a group for men interested in talking about faith over a beer. Our first meeting was a great success so we've decided to make it a regular thing. Our meetings will be on Tuesdays at 7pm at the Tamworth Tap on the top floor. It's open to anyone looking to explore faith in a relaxed setting. What we do and how depends on the people who turn up; they will shape it.

If you're interested email michael@tamworthrc.church or just turn up.

Real Ale Finder

Real Ale Finder - a homegrown alternative, taking on global beer apps.

In a digital landscape dominated by international giants like Untappd, two passionate champions of British pub culture, Kenny and Jenny, are turning heads with a proudly independent creation: Real Ale Finder, the UK-focused app built by ale lovers, for ale lovers.

At a time when pubs continue to fight an uphill battle for visibility, especially smaller freehouses and microbreweries, Real Ale Finder offers something the big global platforms can't: genuine support for local pubs and the real ale community.

Live map showing pubs, beers and breweries
Comprehensive tasting notes
Real time notifications from your favourite pubs
Alerts when favourite beers are nearby

Where many beer apps emphasise ratings, badges, and global trends, Kenny and Jenny have taken a different route - focusing on real-time availability, local cask lines, and direct pub-to-drinker connection. This means no algorithms, no noise, no inflated scores - just honest information about what's pouring right now in your favourite pubs.

Please download the app to support this great innovation and see what exciting new beers are available in the many pubs using Real Ale Finder. Remember to give us a follow by clicking on the bell in the top right hand corner of the Tap's beer list.

Wreath Making

We had the first of our Christmas wreath making workshops on 30th of November and it was wonderful. It felt very festive in the Top Tap with the Christmas tree twinkling away and the smell of mulled wine wafting through the room. Well done to everyone who came along - what wonderful creations! And a special thanks of course to our fabulous florist Jane, for imparting her skills and knowledge and guiding us all through. We are looking forward to more festive fun in early December!
