

Hygiene Help

Can you help? Our Hygiene Bank Tamworth donation station is in the doorway. They are currently in need of laundry detergent. Thank you in anticipation of your generosity and kindness.

Staffordshire Ambassadors

Attendees enjoyed an inspiring afternoon at the latest Ambassador event, celebrating placemaking and investment in Tamworth. The event opened with presentations from Tamworth Borough Council, outlining their vision for the future of the town centre, alongside South Staffordshire College, who shared updates on the development of their new campus. Guests then took part in a guided walking tour, providing a first-hand insight into the projects and initiatives helping to revitalise and re-energise the town centre.

The afternoon also included visits to St Editha's Church and Tamworth Castle, offering the chance to experience Tamworth's rich history and heritage, before finishing at the Tap with an introduction by George and a tour of the brewery and pub, beer sampling and a wonderful buffet.

Storytelling - Legends of Loki and Thor

Join us for another event with a difference, 'Norse Legends', as the Vikings would have heard them - from a traditional storyteller. You've guessed it - much loved Maria Credali Storyteller is back at the Tap for an evening of enchanting tales. Hear of mighty Thor, wielder of Mjölfnir, whose strength is unmatched. Marvel at the cunning tricks of Loki, the silver-tongued shapeshifter whose mischief forever alters the fate of gods and giants alike. From epic battles to whispered prophecies of Ragnarök, these timeless tales are full of adventure, humour, and mythic wonder.

This will take place at 7.30pm on 24th June, at a cost of £8pp. Please message us directly through messenger to book your place(s) or ask at the bar.

Songwriters In the Round

We had a fantastic time in the Hop Yard with our Songwriters in the Round recently. Thank you to all of the performers for entertaining us and for helping us to enjoy the wonderful warm weather. We are already looking forward to the next one, which is on 31st July.

Blooming Beautiful

Don't you just love it when someone sends you flowers! It was another early start last week as we were in at 6am to take one of our seasonal deliveries of flowers from our nursery. This is one of our favourite days of the year as we see the Hop Yard begin to transform for the sunnier months. We've been working tirelessly behind the scenes tweaking, creating, painting and varnishing, but the flowers bring it all together.

Number Three On The Bucket List

We love a list - especially a Bucket List - and often use them when planning our travels. We were sent a new one recently and began reading it with enthusiasm to see where we might go next. It was entitled 'The Great British Buckets List: 20 travel experiences you must have in your lifetime'. We got as far as number three. This has blown our minds. We can't quite believe we have been included!

A Wedding In Wales

For those who don't know, our Rach got her happily ever after on 26th May when she married love of her life Tom. The day was filled with love and laughter and sun shine. We were delighted to share in their special day.

Another Fine Night ...

... was had by all who joined us for our Laurel & Hardy black and white film night. This has got to be one of our favourite nights of the year. Huge thanks to you lovely lot; the support we get for our events is phenomenal. And a massive thank you to John and Mandy for sharing the passion of Laughing Gravy Tent, the Birmingham branch of the Laurel and Hardy Appreciation Society. Another laugh out loud night was had by all.

WINEderful!

A WINEderful time was had by all at our tasting event last month. We launched our new menu, which will be available very soon. Our new selection was a huge hit with everyone, receiving rave reviews. Special thanks to Ben for imparting his knowledge and expertise. Watch our Facebook page for details of our next wine tasting event.

Telegraph National Pub Day

The Telegraph's National Pub Day took place on 16th May and we of course joined in. Telegraph Ale was on the pull from opening, and in true Tap tradition, it didn't take long to run out. Cheers to those of you who enjoyed a free pint!

Mild In May

Thank you to all those who supported our Mild In May event. We had at least one mild on permanently, often two, during the month of May. But mild is not just for May! By popular demand we will continue to feature milds this month and into the future.
