Christmas & New Year Opening Hours

You've been asking, so here are our Christmas and New Year opening times ...

There are not many changes. As usual we will be closed on Christmas Eve and New Year's Eve, but we are sure you'll be pleased to know we will be once again opening on Christmas Day this year.

The closures are to allow the best team in the whole wide world the opportunity to have a breather and enjoy the Christmas break they deserve with their own families. Although it's unusual in the hospitality industry, it's something we've always done as we feel it is extremely important for the team. They give their all, all year round and it's one of the ways we show them how much they are appreciated. FYI, those working Christmas Day asked to. Nutters!

We very much look forward to serving you all over the festive period. Hoppy Christmas Tappers!

Tap Times

The BBC Live At The TBC

The BBC's Peter Ruddick visited the Tap to report on the Budget and to interview George on his thoughts following the announcement earlier that day about beer duty and business rates. He was joined by Andy Slee of SIBA - the Society of Independent Brewers - for a comment from the wider brewing industry. Peter spent the afternoon in the pub taking in the atmosphere and chatting to customers as he went live on BBC Radio 5 Live throughout the evening.

The Tap Remembered

A huge thank you to everyone who chose to mark Remembrance Sunday with us. We were delighted to take part in our first official engagement as Freemen of the Borough. We were invited to attend the Royal British Legion's Remembrance Service at St Editha's, along with the Mayoral party. There was a reception at the Town Hall before the Wreath Laying Ceremony then the church service, followed by the Mayor taking the salute outside the Town Hall.

We always attend these events, but it was an absolute honour and a privilege to be a part of the official party. After that it was back to The Tap for spam sandwiches, an incredible performance by the Tammy Land Girls and a chat with the veterans. There was an amazing atmosphere as always. We were so proud looking at our packed pub, watching our fantastic team do their thing, listening to people's heart warming comments.

Thank you for sharing your day with us. The Tap remembered.

Fawkes Of A Night

Thank you to everyone who joined us for Bonfire Night at the brewery. Saying it was a busy one would be a slight understatement! You thought the bratwurst was bangin' and you drank beer by the bucket load. The fireworks in the castle grounds were fabulous and a good time was had by all, especially those of you who tried our mulled cider with toffee vodka in it! Delicious!

Some Seasonal Changes ...

Winter is here and so are our winter drinks, our winter menu and our winter hours.

Hot mulled cider is back behind the bar and so is mulled wine.

Our Bar Bites menu has changed too, bringing with it a taste of the festive season.

We are keeping Tuesdays (4-9pm) and Wednesdays (4-10pm) the same, but will stay open later if there is demand on these days, as always. Thursdays remain at 4-11pm and Fridays at 2-11pm. Saturdays will be back to 12-10pm and Sundays are back to 12-8pm.

Cheers Tappers, we look forward to serving you.

Hug In A Hamper

Hurrah for you! Once again you stepped up and filled the barrel to the brim with donations for our annual Pamper Hamper appeal. Along with the other the collectors, you have donated an

astonishing hoard of products which have been turned into an incredible amount of hampers. Thank you for helping to make a difference to the lives of others.

Lights, Camera, Action!

A film crew commissioned by CAMRA visited the Tap last month to shoot pub scenes for CAMRA's forthcoming promotional campaign. We were flattered to be approached and look forward to seeing the final cut of our beloved Tappers enjoying a pint.
