

Bathams Best

Bathams Best Bitter from the Black Country is indeed one of the best. It's a Tap regular and a Tap favourite. So many of you love it and ask when it's going to be on. So, we have some good news for you ... we have decided that we are going to make it a permanent line, so you'll never be disappointed. Cheers!

VE Day - 80 Years On

Thank you to everyone who joined us for our VE Day celebrations. We had a fine selection of ales and commemorative gin for you to raise a glass and a quintessentially British menu, including fish and chips, spam fritters and coronation chicken. The flags were flying, the bunting was up and there was music of the era playing. Paul Mills provided your live musical entertainment and the Tammy Land Girls wowed us with a wonderful performance of war songs to complete the night.

It was an honour to pay tribute to those who gave their lives so we may have ours.

The Battle For The Breeches

Join us for an entertaining evening of storytelling on 23rd July ...

For as long as men and women have shared a home, there has been a battle being fought for dominance over the household. Sometimes a delicate dance for power between them, sometimes all-out war! Professional storytellers Maria Credali and Dave Tonge use traditional tales woven together with fiendish riddling and irreverent banter to explore the age old question - who should wear the trousers?

Dave is an itinerant storyteller with over 25 years' experience across the UK and beyond. Maria has created and told tales for the Royal Shakespeare Company and many national and international storytelling festivals. Together they bring you an entertaining and thought-provoking show, full of mischief, laughter and sensational storytelling.

Sausage Roll Day

It's National Sausage Roll Day in June and we're delighted because we're mad about our sausage rolls at the Tap! Sausage Roll Day is celebrated on June 5th every year to appreciate, eat, and relish the mixture of meat, seasoning and buttery pastry. Our rolls are made with locally-reared Pockington pork, sourced from Tamworth butchers Coates:

Original/Mustard/Caramelised Onion/Black Pudding/Cheese & Jalapeño/Stilton

Or try our veggie alternatives:

Roasted Butternut, Cheddar & Mustard/Sweet Potato & Feta/Halloumi & Spinach

Hop Around The World With Paul Corbett of Charles Faram!

Get ready for a flavour-packed evening at the Tamworth Tap as we welcome Paul Corbett, one of the UK's top hop experts, for a unique and aromatic journey through the Hop Grower's Year! Paul works for hop merchant Charles Faram.

Paul will take us behind the scenes of hop farming – from the first shoots in spring to the harvest hustle in autumn. But that's not all ... we'll go global, exploring how different climates, soils, and traditions (aka "terroir") shape the hops we know and love – from the bold aromas of the Pacific Northwest to the delicate notes of European classics.

- Rub, sniff, and compare real hop samples from major growing regions.
- Discover how terroir transforms taste.
- Sample a handpicked selection of delicious beers made with the hops you'll explore.

Whether you're a seasoned beer geek or just hop-curious, this is your chance to dive nose-first into the world of hops with someone who truly knows his stuff. Don't miss it – sniff, sip, and savour the story of the world's most aromatic plant!

Champion Beer Of Britain

We all know how good George's Whopper is, but did you know it was a finalist in the category round for CAMRA Champion Beer of Britain? George made the journey to Cambridge Beer Festival to find out the results and got to sample some of the great beers in the huge events marquee on Jesus Green. Although Whopper didn't finish with a medal, we were chuffed to bits that we got to the national category final and who knows, maybe go one step further next year to the final round for overall champion!

George is shown commiserating with fellow brewer Chris from the Fat Cat in Norwich.

Tuesday Tipple Or A Wednesday Wlne Anyone?

Just a reminder that when we have events taking place on Tuesdays and Wednesdays, the bar will be open a little later than usual. This also applies on particularly busy nights, especially throughout the summer. Come and make the most of the warm evenings with us.

Beer Day Britaln

This month sees Beer Day Britain and this year it happens to fall on Father's Day - perfect! At 7pm on 15th June, people all over the country will raise a glass and say 'cheers to beer!' Where better to mark the occasion than at the Tap. Join us later for a beer and a bit of banter. Cheers to beer, cheers to all you great dads out there, and cheers to you Tappers!

Bat Count

Our regular bat watch nights, which usually take place in August, are always well attended and a big hit with you lot, so we're doing another Bat Night for you. Join us on 11th June for a 'Bat Count', when Chris from the Bat Conservation Trust will be in the Hop Yard leading us all in a bat count which contributes towards the National Bat Survey. He'll also be on-hand to answer your questions, advise and talk all things bats.

Please note the later start of 9.15pm to suit the schedules of the bats, who are busy sleeping until then!

Morris Dancing Anyone?

We have a rare event on the 12th June. We will be hosting a Morris dance troop in the town! The Three Spires Morris dancers have 'danced out' at local pubs, folk festivals and international festivals, including Polperro in Cornwall, Holland, Prague and Germany. They famously led out the procession at Lichfield Greenhill Bower in 2016 (the first time females had been allowed to lead the dancing in hundreds of years). Like the Tap, they are huge supporters of St Giles Hospice and support through dancing in memory of past members.

A Dog Furlendly Pub!

We love our well behaved four legged friends and the Tap is the perfect place to pamper your pooch as well as yourself. You'll find treats and water bowls available inside and out. They can get a hair of the dog, doggie treats, merch, pooch hooch or even a doggie ice cream! Just ask one of our bark tenders. Not all of the team may know your name, but they'll certainly know your furry companion's!

We have some rules in place and ask that you refrain from bringing your dog when the bar is very busy. We are unable to admit dogs after 7pm on Fridays and Saturdays. All we ask is that your pooch is a 'top (Tap) dog' and doesn't excessively bark, that they are kept on a tight leash by feet, off furniture and out of walkways. Please remember some humans may not be a fan of your fur baby as much as you, so please consider them.

Fred & Ginger are pictured in the Hop Yard.

National Fish & Chlp Day

The biggest day in the fish & chip calendar – National Fish & Chip Day - returns for its 10th anniversary this month and we will be marking the occasion of course! Join us for Fish & Chip Fryday when we'll be serving up everyone's favourite British dish. Make it a date – Friday 6th June.
