Young People's Panel

We Need you!

Young People's Panel is an important part of our application process for potential new foster carers. It is an interactive and fun way for you to meet new people, lead activities and ask important questions chosen by you!

What Do Our Panel Members Do?

-  **Interview new people** who want to look after foster children
-  **Get training and support** so you feel confident and ready
-  **Join online meetings** (each one is about an hour long)
-  **Gain brilliant experience** to add to your CV in the future

It's a fantastic way to share your voice, learn new skills, and make a real difference! You'll also receive a £15 Amazon Voucher for every panel you attend! 

If this sounds exciting, we'd love to hear from you!
