

£35 per hour

Minimum of 5 hours - To be used in one calendar month

At £35 per hour, my Virtual Assistant services offer efficiency, dedication, and meticulous attention to your needs.

Understanding the importance of consistent availability and peace of mind for my clients, I also provide an option to secure my services through a retainer.

This not only guarantees you prioritised access and assurance of my services for the entire month ahead but also ensures that you don't have to worry about scheduling conflicts or availability issues.

With this retainer system, you're making a forward-thinking investment in your productivity and success.

Efficient. Reliable. Professional
