CREATIVE INFRASTRUCTURE FOR COMMUNITY

Storytelling, communications, and creative capacity for nonprofits and community organizations.

One trusted creative partner. A stronger public presence. More support for your mission.

WHAT I HELP YOU DO

Tell human stories that move donors. Show your impact clearly. Build campaigns that people notice. Create professional media your staff can keep using.

PROJECT

Starting at \$750

For a defined need or campaign

- Event campaigns and posters
- Impact stories and photography
- Short films and fundraising media
- Brand, website, and publication support

MONTHLY PARTNER

\$1,250 or \$2,500 / month

For dependable creative capacity

- A flexible monthly pool of services
- Priority scheduling and continuity
- Design, photo, video, web, and strategy
- Quarterly storytelling at the Plus level

GRANT COLLABORATION

Custom project budget

For ambitious community work

- Co-develop a mission-aligned project
- Build creative work into the budget
- Define outcomes and documentation
- Ideal for arts, history, youth, and nature

SERVICES THAT WORK TOGETHER

Film and video | Photography | Graphic design | **Web support** | Campaign creative | **Impact storytelling** | Publishing | Creative strategy | Staff tools and training

WHY ANDREY

A multidisciplinary artist, filmmaker, designer, writer, musician, web builder, and former biologist - able to understand the whole mission and turn it into clear, emotionally resonant work.

LET'S START WITH A CONVERSATION

We will identify one high-value need, choose the right working model, and build from there.

Whidbey Island, Washington | Available for nonprofit, civic, arts, environmental, and community partnerships
